

DICK WOODS ROAD

UP TO 7.5 MILES IN ONE DIRECTION

This rolling gravel road is a popular running destination for high school, collegiate, and marathoners as it features a good mix of terrain over a quiet, scenic, soft surface country road. The course runs in one direction. Parking is available in the gravel lot at the corner, courtesy of our friends at The Miller School.

DIRECTIONS:

From downtown Crozet take 240 South to 250. At the 250 4-way light intersection, go straight across onto Miller School Road. Follow the Miller School Road for 2.5 miles and look for the parking lot on the right.

Course designed and measured by Mark Lorenzoni and the Ragged Mountain Running Shop, Virginia's oldest family speciality running shop located at 3 Elliewood Avenue. Graphic design by @TwinsRun. For a local race calendar, visit charlottesville-trackclub.org.
