CHATTANOOGA ZOO

QUESTIONS

Exterior

1. This might not be a Macaw, but it is definitely a paw!
2. I really only moan and purr, although some think I roar. Look for me on the wall where people wait to go explore!

4. It's the first thing you see & as tall as a tree!
5. Round and round the inside of this goes. The outside helps protect from wind that blows!

Interior

1. The desert is our habitat, which make sense cause we are a cat!
2. You have a fifty-fifty shot of seeing me slink and slither, possibly up and down a South American river.
3. During the day I love to sleep & don't even make a peep!
4. Who needs a gym? Me and my sister love to swim!
5. Africa is where I dwell, find me tucked in my shell.
