

2022 SPRING BREAK SAFARI SCAVENGER HUNT

BLUFF VIEW ART DISTRICT

QUESTIONS

1. Walking past Rembrandt's there's a small little alley– nooks, crannies and beauty all around me. In the middle, you'll see frogs surrounding a pond. Looking past that is a window beyond. Observe through that window, a kitchen for baking. These artisans are craftsmen that specialize in pastries.
2. Head toward the Maclellan House- our inn with the big red door. If you walk toward the water, you'll smell coffee more and more. Nestled low in a hollow, you can barely see me. Venture close to the building, what business are we?
3. There are secrets inside, those we cannot tell. Find flour footprints and you will do well. The dough keeps rising from the loaves we are making. As you walk through the District, you'll smell what we're baking.
4. In an old carriage house, centered around Italy– you will find homemade meatballs from a family recipe in Sicily. Homemade, fresh pasta is the claim to our fame. Maybe for lunch you could enjoy the same?
5. Grab a cup of coffee, sandwich and a sweet- out on the patio you can take a seat. House-roasted coffee and pastries acclaimed, much like the European artist for whom we are named.

All items are located throughout the Bluff View Art District, no admission required.
