

# SPRING BREAK SAFARI SCAVENGER HUNT

## REFLECTION RIDING ARBORETUM & NATURE CENTER

### QUESTIONS

1. Can you find Tennessee's state bird? With white and grey feathers, it lives in Chattanooga year-round unlike some other birds you can only find here in the spring.
2. Can you hear the howl of the most endangered canid in the world? We have to leave them alone during breeding season but if you're lucky you'll hear the whole pack howl. What animal is it?
3. Find the largest tree in the wetland. You might be able to get up close and find a label to help you identify it. What is its common name?
4. Find a type of flower that only blooms for a couple of weeks in the spring. There are several of these in the courtyard garden behind the welcome center. Enjoy the covered porch and walk through the gravel paths to get a closer look. What kind of flowers are these?
5. Find the state tree of Tennessee. It is also the largest member of the Magnolia Family. What is the common name?
6. Explore the Nature PlayScape and find a play pod with a huge rock that allows you to get more sun than any of the other pods. What is it called?

*All items are located outside of the Reflection Riding Arboretum & Nature Center entrance, no admission required.*
