- Use communication and computer technology effectively to record all maintenance/repair activity.
- Assist in maintaining an OSHA compliant workplace.
- Receive training in all aspects of Bike Chattanooga operations, including:
 - Bicycle maintenance and repair
 - Basic customer service and public relations

- Other duties as assigned.

Note: The above description is not intended to be an exhaustive list of all duties, responsibilities, or qualifications associated with the job. All personnel may be required to perform duties outside of their normal responsibilities due to the nature of work performed to accomplish SHIFT'S Mission.

Required Skills and Experience:

- Experience in bicycle repair.
- Valid Driver's License and acceptable Motor Vehicle Record.
- Good mechanical and technical aptitude.
- Ability to ride a bicycle and/or drive a light truck to bike share station locations and other locations as necessary.
- Basic computer skills.
- Ability and willingness to work various shifts as assigned, including evenings and weekends.
- Ability and willingness to work in various locations in varying weather conditions during all 4 seasons, as this is a year-round operation.
- Comfortable in a fast paced, warehouse/shop environment.
- Ability to lift up to 75 lbs

Preferred Skills and Experience:

- Experience with hand, air, and power tools.
- Experience driving trucks or large vans in city traffic.
- Experience in construction, fabrication, or other similar trade.
- Previous bicycle, mechanical and/or logistics experience.
