## **BRIEF OVERVIEW OF ORGANIZATION**

The Technology Student Association (TSA) is the only student organization devoted exclusively to the needs of students interested in areas related to Science, Technology, Engineering, and Math (STEM). Open to students enrolled in or who have completed technology education courses, TSA's membership includes over 150,000 middle and high school students in 2,000 schools spanning 48 states. Tennessee TSA is home to over 7,500 members. TSA is supported by educators, parents and business leaders. Members learn through exciting competitive events, leadership opportunities, and much more. The diversity of activities makes TSA a positive experience for every student. From engineers to business managers, our alumni credit TSA with a positive influence on their lives. 2019 marks the 41<sup>st</sup> annual conference. This year, there is a large focus on STEM which aligns with Governor Bill Lee's new legislative commitment.
