THE BIG BOOTS OF CHEYENNE

THE STORY BEHIND THE BOOTS

“These Boots are Made for Talking” began as a collaboration between the Cheyenne Depot Museum Foundation and the Cheyenne Downtown Development Authority. Sponsored by local businesses and auctioned at a fundraiser, the project raised nearly \$100,000 for the Cheyenne Depot Museum Endowment Fund.

Each boot was uniquely painted by local artists around the theme, “If this boot could talk, what story would it tell?”

New boots are added regularly as businesses and individuals commission their own, with proceeds supporting maintenance of the historic depot. For more information, contact the Cheyenne Depot Museum at 307-632-3905.
