In 2019, Visit Cheyenne was a critical partner in helping the community realize great visitation and economic growth and success. As the data in this report shows, we attained numerous achievements, and were happy to be part of nationally relevant events like the 150th Anniversary of Women’s Suffrage, and the rededication of our beautifully refurbished Capitol. Our community was featured in diverse national and international publications and digital media platforms. Visit Cheyenne continues to be recognized as the gold standard for DMOs in the region.

Even with these great successes, we have decided not to print the 2019 Annual Report. Logistical issues during the CEO transition delayed the finalization of the annual report data. This was compounded by the COVID-19 pandemic. We have found ourselves in the middle of necessary budget-cutting measures and have quickly pivoted to change the layout of the report so that it can be available on our website as a digital copy, instead. The COVID-19 emergency has created a difficult and challenging environment for the hospitality and tourism industry. However, we are a resilient group and will recover and be even stronger once this is behind us.

Visit Cheyenne Overview

*Visit Cheyenne* is the official tourism organization for Laramie County. It is governed by the Laramie County Tourism Joint Powers Board, which includes members appointed by Laramie County (3), the City of Cheyenne (3), Pine Bluffs (1), Burns (1), and Albin (1).

The Laramie County lodging tax is the primary funding source for *Visit Cheyenne*. The tax is paid by visitors who stay in Laramie County lodging establishments. Laramie County residents do not pay the tax unless they stay in local lodging. Laramie County voters first approved the tax in 1987 and have renewed it every time it has been up for a vote since. In 2018, voters renewed the tax with 74% of the vote.

*Visit Cheyenne* promotes and develops the Cheyenne area through paid advertising, visitor guides and websites, social media, public relations, convention and bus tour solicitation, trolley operation, and the depot visitor center.

**Mission**

Visit Cheyenne develops, promotes, and protects the Cheyenne area travel industry, thereby creating memorable experiences for visitors, and economic impact for Laramie County.

BETTERING CHEYENNE

Here’s what Visit Cheyenne and its partners did in 2019 to improve Cheyenne.

WOMEN’S SUFFRAGE MURAL AND BIG BOOT:
In honor of the 150th Anniversary of women’s right to vote, Visit Cheyenne spearheaded and installed 2 public art pieces in partnership with the City of Cheyenne:

• A beautiful mural at the site where the Wyoming Territorial Legislature first passed women’s suffrage.
• A colorful big boot located where the first Cheyenne woman actually voted.

WORKFORCE DEVELOPMENT:
Working with industry partners, Visit Cheyenne helped alleviate hospitality industry employment needs by creating a hospitality jobs webpage, launching an online employment PR campaign, and helped host several job fairs.

RESTAURANT WEEK:
Visit Cheyenne grew Cheyenne Restaurant Week with 33 eateries participating.

FORWARD GREATER CHEYENNE:
Visit Cheyenne is participating in three of the initiatives for Forward Greater Cheyenne: Activation of the Cheyenne Greenway; A community pride campaign called Live Legendary; and Development of a sports facility feasibility study.

TICKET TO THE ARTS:
Visit Cheyenne added several value-added perks to its community arts pass which now includes 8 local arts organizations.
In 2019, Wyoming celebrated the 150th anniversary of women’s right to vote, and honored this anniversary with celebrations throughout the state!

Wyoming’s Territorial Governor signed legislation on December 10, 1869, making Wyoming the first governmental body to guarantee women the right to vote and to hold public office.

In addition, the first female justice of the peace Esther Hobart Morris, an all-female jury, the first female bailiff, the first female superintendent of public instruction, and the first female governor Nellie Tayloe Ross, were all in Wyoming.
**DID YOU KNOW?**

If the travel industry were a single business, it would rank as the county’s third largest employer behind F.E. Warren Air Force Base and the State of Wyoming. Cheyenne and Laramie County welcomed 1.1 million overnight visitors in 2019. Visitors spent $380 million in the County in 2019. That’s more than $1 million per day!

- Visitors paid $22.1 million in state and local taxes.

- Without the tax contribution of tourists, each Laramie County household would pay an additional $571 in taxes to maintain existing government services.

- Visitors paid 10% of the sales tax collected in Laramie County in 2019, the equivalent of funding approximately 74 local firefighters.

- Laramie County has the 3rd highest level of traveler spending among all Wyoming counties, behind Teton and Park Counties.

- Travelers supported 3,100 local jobs, 4% of Laramie County’s total private sector employment.

- Laramie County’s annual occupancy rate of 58% means that 1,600 hotel rooms are booked here on average, every single night of the year.
