each boot through artist narratives.

### The Story Behind the Boots

"These Boots are made for Talking" started as a joint project of the Cheyenne Depot Museum Foundation and the Downtown Development Authority. The boots were sponsored by local businesses and auctioned at a fundraiser. The nearly \$100,000 raised went to the Cheyenne Depot Museum Endowment Fund to benefit the museum.

Each boot was painted by one or more of the area's creative and talented artists. The project theme was "If this boot could talk, what story would it tell?" The audio tour provides the opportunity to hear just that from each artist. Details are inside.

Boots are added to the City's collection each year as local businesses and individuals commission boots for themselves. For more information, contact the Cheyenne Depot Museum at 307-632-3905.
