These Boots are Made for Talking!

There are more than 30 hand-painted,
8-foot-tall boots in Cheyenne!

Our **free audio tour** provides details for 18
of the boots around town, through artist
narratives. Call **307-316-0067** and when
prompted, enter the boot number from this
brochure followed by the # key. You may
hang up and call again as needed.

THE STORY BEHIND THE BOOTS

"These Boots are made for Talking" started as a joint
project of the Cheyenne Depot Museum Foundation and
the Downtown Development Authority. The boots were
sponsored by local businesses and auctioned at a fundraiser.
The nearly \$100,000 raised went to the Cheyenne Depot
Museum Endowment Fund to benefit the museum.

Each boot was painted by one or more of the area's creative
and talented artists. The project theme was "If this boot
could talk, what story would it tell?" The audio tour provides
the opportunity to hear just that from each artist.

Boots are added to the collection each year as local
businesses and individuals commission boots for
themselves. The proceeds go to maintaining the historic
depot. For more information, contact the Cheyenne Depot
Museum at 307-632-3905.
