

VILLAGE OF SCHAUMBURG

PROGRESS THROUGH THOUGHTFUL PLANNING

OFFICE OF MAYOR TOM DAILLY

December 27, 2023

Dear Conference Members:

It is with great pleasure that I welcome you to the Village of Schaumburg for the International Kennel Club Conference being held January 19-21, 2024, at the Renaissance Schaumburg Convention Center and Hotel that will host the Midwest premier dog show and one of America's most prestigious canine events.

I am pleased you have chosen the Renaissance Schaumburg Convention Center and Hotel as the location to celebrate all the ways in which dogs enrich our lives and make our planet a better place. As a former owner of Siberian Huskies for 30 years and now a Golden Lab, I can tell you what a joy it is to have had dogs in my life. That said I hope – if your schedule allows – you will find some time to take advantage of our community's many amenities during your stay.

Schaumburg is the largest center of economic development in the State of Illinois, outside the City of Chicago, but it is also very much a community of neighbors and neighborhoods. Quality of life is important to us and we are constantly working to enhance it for our community as well as those who come to visit. Schaumburg boasts more than 90 miles of bike paths, the Schaumburg Al Larson Prairie Center for the Arts with a 442-seat theater, gallery, outdoor stage, a beautiful baseball stadium, and the 135-acre Spring Valley Nature Center and Historic Farm site. Offering excellent schools, a superb park district, numerous houses of worship, and superior village services, Schaumburg is a wonderful place to live, work, and raise a family.

Schaumburg is a village that is rich in culture, arts and tradition. We are also a community that recognizes the many benefits that man's best friend can provide to individuals and families. On behalf of our community, I wish you a productive and fulfilling convention dedicated to educating and displaying the various dog breeds that we have all come to know and enjoy. I trust that our accommodations in Schaumburg will be more than satisfactory, and I sincerely hope you will find a reason to come visit us again soon.

Sincerely,

Tom Dailly
Village President
