SCHAUMBURG PUBLIC HOUSE

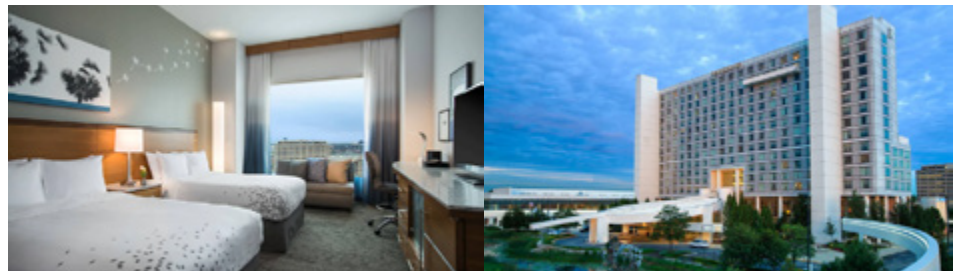

RESTAURANT & BAR

The Schaumburg Public House is an approachable urban brasserie featuring local beverage and food from northern mid-America. SPH's inspiration comes from the cider mills and orchards of Michigan, the creameries and fisheries of Wisconsin, and the Illinois craft-beer brewers along Route 66. Drawing on the values of Schaumburg's first families, not only will you be intrigued by the beverage and food, but will enjoy social opportunities in a warm, welcoming, and inclusive environment.
