Greater Cincinnati's only
LEED Certified Event Facility

Health and Safety Summary

With over 68,000 square feet of event space and 18 independent rooms, the Sharonville Convention Center has the flexibility and social distancing space required to host your event within the guidelines provided by the Ohio Department of Health.

The Sharonville Convention Center is committed to prioritizing the health and safety of our clients and staff. We understand your concerns for the health and safety of yourself and your guests and have implemented not only the state mandatory guidelines, but have also provided additional best practices to assist you during your visit:

- Daily health checks, including temperature assessments of all our staff
- All employees to wear face masks
- Providing hand sanitizing stations at all entrances, complete with COVID-19 prevention postings throughout the facility
- Improved air filtration within our HVAC system
- High volume of signage and floor decals reminding our guests of social distancing requirements
- Utilization of barriers in high volume areas
- Daily frequent cleaning and hourly disinfecting of high touch and high use areas
- Participating hotels are following the American Hotel and Lodging Association safe stay and cleaning guidelines

Remember, when visiting we ask all our guests to use the recommended prevention practices for COVID-19 outlined by the Ohio Department of Health:

- When not feeling well, stay at home.
- Wear a face mask when reasonable
- Practice social distancing of at least 6 feet from others

While we can't eliminate all risks associated with the spread of COVID-19, we will do our best to minimize these risks. We look forward to seeing you soon.
