

SoIN TOURISM

GoSoIN.com Events Calendar

SoIN Tourism's online events calendar is a free tool you can use to publicize your upcoming event. Adding your events to our website helps increase its visibility. Once your event is added and approved, it will also be considered for inclusion in SoIN's monthly consumer newsletter and on our social channels. We will also consider your events when promoting our destination to groups, travel writers and media.

How do I add events to GoSoIN.com?

There are two ways to submit events:

- The Team SoIN Partner Portal
- The event submission form

The Team SoIN Partner Portal is the preferred method, especially if you are a local business or attraction and anticipate you will be submitting events often.

Using the portal allows you to:

- Easily add multiple events and recurring events.
- Customize each event with precise schedules, details, and images.
- Edit events after submission.
- Duplicate past events.

You will need a free account to log in to the portal. If you do not yet have an account, email Visit@GoSoIN.com or fill out the [Business Fact Sheet](#) to become a SoIN Tourism partner.

The event submission form can be used to submit events if you do not have a partner portal account. Events submitted through the form cannot be updated by you once they are approved. This option is best if you are not a tourism-focused business in Southern Indiana and will submit events rarely.

Note: SoIN Tourism does not accept politically affiliated events or events outside Clark and Floyd Counties, Indiana.
