### ADVENTURE RUNS Free in 2023!

Adventure is a word that means different things to different people. Maybe your adventure is outdoors and thrilling like mountain biking or rock climbing or kayaking. What about exploring a region's craft foods and spirits? Your idea of fun may be unfurling your creative juices and creating pottery or a painting, or having quiet time to admire the artists and performers who thrive in their mediums. The ideal adventure for you may mean interrupted time to shop for memorable local finds, or to explore a region's history and learn another piece of Americana with your family. Maybe it's a girlfriend's getaway, a destination wedding, a romantic weekend, or a guy's weekend outing. Whatever your adventure looks like, we have no doubt that you can discover it and experience it in Clarksville!

The 2023 year promises exciting new things to see and do in this growing city:

- **Shelby's Trio** opens first quarter with a 50's burger joint, fine Italian dining and a rooftop bar with 360-degree views.
- F&M Bank Arena opens mid-year, offering concerts, hockey and events for all ages.
- **Doubletree Hotel** and mixed-used development will begin construction.
- Two parking garages will be open downtown by year end.
- A 450-gallon Aquarium in the Wade Bourne Nature Center opens in April.
- Dunbar Cave State Park celebrates its 50th Anniversary with special activities all summer long.
- Greenway Trail System Bridge over the Red River opens by year end, connecting to the Riverwalk.
- Buc-ee's Travel Center is slated to open at Exit 1.

#### "WE HAVE HAD A LOT OF FUN FINDING THEM.

We learned a lot about a community we have lived in for 20 years. We even passed

the app onto perfect strangers we met along the way. We met a couple of nice young ladies at the Thirsty Goat and showed them the app that brought us there. One of the young ladies was a new Army spouse, and this is their first duty station. So now they have a way to explore Clarksville and learn about their new town.

/ |

We didn't even know the Collinsville place was out there, we are excited to revisit it and see more.

Thanks for all the hard work in setting it up and keeping track."

- ED AND SHANTEL BENNETT
