MUCH MORE THAN A CONVENTION CENTER

The Georgia International Convention Center (GICC) is Georgia's second largest convention center. It is also the nation's most accessible convention center, with the world's only direct connection to a major airport via the FREE 2-minute SkyTrain ride. The GICC is just as convenient by car — near the juncture of two major U.S. interstates connecting north and south, I-75 and I-85, and near I-20 connecting east and west. The heart of Atlanta is just 10 minutes away by rental car or by Atlanta's rapid transit railway system, MARTA.
