The Women's Sports Report, presented by OhioHealth

Feb. 5, 2019

The ninth-annual Women's Sports Report, presented by OhioHealth, featured a star-studded lineup comprised of LPGA legend and broadcast pioneer **Judy Rankin** and new Columbus Crew SC owner-investor **Dee Haslam**.

An event that recognizes girls and women who are taking sports to the next level, both women shared stories about going beyond their comfort zones in the world of sports.

"I encourage everybody to do whatever the thing is that's very hard for them, but is necessary as to what they do," Rankin said. "It's amazing how, if you kind of work at it and come in with the right frame of mind maybe someone will get you a break, how your life might change."

-Judy Rankin

Dee Haslam is the first woman to serve on the MLS Board of Governors

BY THE NUMBERS
