

LIVE FOR ADVENTURE

Coyote Peterson's Wild Weekend in Columbus

DAY ONE

Morning Activity | Columbus Metro Parks

Take a hike or seek adventure at one of 20 **Metro Parks**, like the newly opened Quarry Trails Metro Park, previously an abandoned quarry that once supplied limestone to build the Ohio Statehouse. Coyote explores **Blendon Woods Metro Parks** regularly, studying the snapping turtle.

Lunch | Uptown Deli and Brew

Uptown Deli and Brew serves crafted sandwiches, soups and salads, and also has a market aspect with artisan meats, cheeses and breads. It's a modern interpretation of an old-world market, with European-style patio seating overlooking State Street. Order Coyote's favorite, the corned beef and rye sandwich.

Out and About | Leisure Club

Leisure Club is an American-inspired vintage clothing store in Grandview. (Just be sure to check their hours.)

Happy Hour | Nomad

Nomad specializes in local ingredients transformed by live fire cooking equipment. It's the perfect spot to meet for happy hour. Coyote recommends the pork chop, cooked on the unique Jospo oven.

DAY TWO

Breakfast | Roosevelt Coffee

Roosevelt Coffee is more than just a coffeehouse. Rooted in social enterprise missions, Roosevelt is well-known for its work to support clean water, fight hunger, and stop human trafficking. Stop in to kickstart your day!

Morning Activity | COSI

Voted best science museum in the nation by USA Today's 10Best, **COSI** is nationally esteemed and known in the community for its work to deliver hands-on, experiential learning. With +300 interactive experiences in 320,000 square feet, COSI is a must-see. Don't miss the **MARVEL: Universe of Super Heroes** exhibit this summer!

Dinner | The Pearl, Short North

The Pearl is a well-polished culinary jewel that showcases made-from-scratch food, classically inspired cocktails and an exclusive selection of ales, lagers & stouts. Relax into the cozy tavern atmosphere after your busy weekend.
