

LIVE FOR FLAVOR

Jeni Britton's Musts for a Weekend in Columbus

DAY ONE

Breakfast | Parable Coffee

Start your day with Jeni's favorite, the brown butter latte.

Out and About | Schiller Park & Book Loft

This park is a well-kept hub of German Village life. The picnic areas, community center, fishing pond and beautifully landscaped gardens make **Schiller Park** a jewel of German Village. Pick up a book at the **Book Loft**, a historic 32-room bookstore, and then stroll down to the park for the most picturesque reading experience.

Shopping and Lunch | North Market

Inside, you'll find an eclectic mix of more than 30 independently owned small businesses that offer a wide variety of fresh produce, meat, poultry, seafood, flowers, specialty food items, international prepared foods & distinctive gifts. This was the first **Jeni's** location.

Plant-Based Dinner | Comune

You'll find plant-forward cuisine, flavorful, satisfying, eminently sharable dishes made from in-season ingredients, sourced from close by.

DAY TWO

Brunch | Pistacia Vera

Enjoy delicacies and coffee from this French patisserie-style locale in the heart of German Village.

Morning Activity | Get Outdoors at Scioto Audubon Metro Park

Connect with nature, Jeni's way, at **Scioto Audubon Metro Park**. Hit the trails for amazing views of the Columbus skyline.

Lunch & Afternoon Activity | Local Farmer's Market

One of the best ways to get to know an area is by shopping local. Jeni loves to frequent the **Upper Arlington Farmer's Market** to shop their fresh produce and flowers! Graze on a light lunch from your market finds, and don't forget to pick up some fresh items to last you the week.

Evening Event | Shakespeare in the Park

The Actors Theatre of Columbus produces well-known productions on **Schiller Park's** outdoor stage. Could there be a more perfect way to conclude your adventures?
