

LIVE TO SPLURGE

Cosmetics, Couture and More

See for yourself why Columbus is emerging as a fashion hub. With all of the options for exploring, you're sure to have a good time.

Ideal for groups 25 or less.

DAY ONE

Morning | Start your day at **Easton** for the "What's in Fashion" experience. Enjoy a full, hot breakfast at the **Café Bistro** where Nordstrom experts share the latest looks for men and women in apparel, accessories and shoes, and then you're free to shop on your own. Group members receive a gift card to shop and free alterations on same-day purchases at Nordstrom.

Lunch | A variety of dining options await such as **Brio Tuscan Grille**, **Northstar Cafe** or **Cooper's Hawk Winery**.

Afternoon | The **Columbus Museum of Art** welcomes you on a guided, customized tour. Pair it with a special workshop that'll have everyone taking home a handmade work of art.

Evening | Take a lesson in how essential oils are blended to create custom scents at **Glenn Avenue Soap Company**. Then weigh, blend and pour the ingredients for your own beer soap crafted with local brew. Pick from dozens of scents and, with help from the experts, hand-pour a **Penn & Beech Candle Co.** candle. The candle needs just over an hour to set, just enough time to dine at several options in Grandview, such as **The Avenue Steak Tavern** or **Hofbräuhaus Columbus**.

DAY TWO

Morning | Get close to exotic plant life at **Franklin Park Conservatory and Botanical Gardens**. If you'd like, couple your visit with a workshop in gardening, cooking, art or wellness.

Lunch | Sweet and savory smells abound at the **North Market**, home to 35 merchants and farmers sharing cuisine from around the globe. Nibble your way around this historic Columbus institution.

Afternoon | Hop to **Mukha Spa** to shop for skin-care products that are 100 percent mineral-based and free of oil, alcohol, fragrance and talc. Or, pamper yourself at the first-class and affordable **Blowout Bar**.

Evening | Relax in the "art and soul" of Columbus — the **Short North Arts District**. Start with craft cocktails at **Soul at the Joseph**. Not too far away, **Mandrake Rooftop** offers a delicious dinner with a view overlooking the city.

DAY THREE

Morning | Start the day with brunch at **Forno**. Afterward, the district's local artisans will delight with galleries and boutiques filled with one-of-a-kind finds and special treasures.
