2023 Parent Handbook

Welcome to Community Youth Camp!

Active kids do better in life. The physical, mental and social benefits of youth sports last a lifetime. We created a youth camp last summer because we believe every kid deserves a chance to play. From cycling to yoga, Community Youth Camp presented by The Columbus Foundation makes sports accessible. At least 50% of our spots are reserved for children on scholarship – who may not otherwise have access to play sports.

Made possible by our partners, we provide camper spots for children who may not otherwise have access to them. Lessons of responsibility and personal wellness shouldn't come at a cost. For those who need it, we share the ball. Over the course of our four-day camp, your child will experience different sports, make new friends and create memories to last a lifetime.

We can't wait to welcome you and your child at Community Youth Camp. Please take a moment to read through the important information in this handbook and discuss it with your camper. Together, we will have a fun, safe and memorable week at camp!

Sincerely,

Linda Shetina Logan

ABOUT THE EVENT

Not every kid will play sports, but every kid deserves a chance. That's our commitment. Why? Studies show that active children have higher test scores and self-esteem. Community Youth Camp is about equipping kids with more than fundamentals. It's about developing life skills transferable to daily life.

The Community Youth Camp presented by The Columbus Foundation creates equitable opportunities for kids to play more than a dozen sports over four days. Coaches make the fundamentals fun and help 6- to 12-year-olds build confidence and learn life skills. With a male and female instructor for every sport, kids can be what they see.

DISCIPLINE POLICY

Community Youth Camp Philosophy of Discipline

We want each camper, volunteer, camp leader and staff member to have an enjoyable experience, to participate in a respectful and safe environment that's free of bullying or other unacceptable behavior, and to be treated with dignity and healthy boundaries. With these goals in mind, we have a discipline policy in place and ask that parents please familiarize themselves with the below.

The following behaviors are not permitted at Community Youth Camp and will result in an incident report and conversation with parents or legal guardians. Incident reports will be communicated after each incident so parents can have appropriate follow up conversations with their children for improved behaviors to avoid reoccurring incidents.

If a camper exhibits these behaviors more than three times throughout the week, the camper will be dismissed, the parent or legal guardian will be asked to come and pick the camper up immediately and they will be asked not to return to camp for the remainder of the week.

Please note: *Though we will offer every attempt to allow campers several chances to improve their behaviors and stay to enjoy and experience camp, staff has the right to send a camper home and ask them not to return if they feel the behavior is detrimental to other campers' or staff's overall safety and wellbeing. There will be no refunds if a camper is sent home. A social worker will be on-site for the duration of camp to assist with such behavioral issues. Thank you again for your concern and attention to these very important matters.*

- **Unwanted physical or aggressive contact with other campers or staff**

- This includes minor physical contact that is not necessary, other acts of physical aggression or any inappropriate or unwanted touching.

- **Bullying or harassment**

- This includes- but is not limited to- physical, emotional, and verbal harassment.

- **Vandalism or destruction of camp property**

- **KIPP Columbus** is graciously offering their beautiful campus for our use throughout the week; any deliberate defacing of campus property or equipment will not be tolerated.

- **Use of electronic devices during scheduled activities**

- Though cell phones may be permitted on a case-by-case basis for safety reasons, no recreational gaming on tablets, laptops, smartphones, video game systems or e-book readers will be permitted.

- **General disrespectful behavior**

- This will be determined at the discretion of GCSC Staff.

- **Inappropriate or foul language**

- This includes vulgarity or any language that is inappropriate for our camp-aged children.

- This can include bringing a weapon or illegal substances on site or a camper disregarding safety rule(s) and the like.
