GETTING HERE

Columbus is within 550 miles, just a one-day drive or one-hour flight, from nearly half of the U.S. population. John Glenn Columbus International Airport (CMH) offers more than 150 daily departing flights to 40 destinations nonstop. CMH is just eight miles or 10 minutes from downtown, a short ride on the Central Ohio Transit Authority's (COTA) [AirConnect](#).

GETTING AROUND COLUMBUS

Once downtown, hop on the [free CBUS circulator](#), provided by COTA, that runs every 10-15 minutes along High Street from the Short North Arts District in the north to German Village in the south. The route (shown in red below) stops at many popular downtown locations along the way. Or use alternative transportation services such as Uber, Lyft, scooters and CoGo (bike-sharing) to explore beyond the city limits.
