Columbus' blend of distinctive neighborhoods, dynamic nightlife, creative arts scene and original culinary experiences give it that big city feel at only a fraction of the cost.

Here is just a sampling of what Columbus has in store for you and your girlfriends:

**DAY 1 LATE AFTERNOON** | Check in for your stay at **Hotel LeVeque**, a boutique hotel in the historic LeVeque Tower right in the heart of downtown.

**DINNER** | Head out for dinner and drinks at **Forno Kitchen and Bar**, featuring delicious stone-fired pizzas. Make sure you get a round of strawberry shooters before you leave!

Spend your evening bar hopping in the **Short North Arts District**, where you can find a wide array of nightlife.

**DAY 2 LATE MORNING** | Grab brunch at **Milestone 229**, providing exceptional views of the Columbus skyline and riverfront.

**AFTERNOON** | Take a Booze Cruise on **The Pedal Wagon**, a pedal-powered, rolling party that stops occasionally at some of the city's favorite bars. Or visit **Wyandotte Winery** for a customized wine tasting.

Need a break from boozing? Pour your own candle at **The Candle Lab**, make your own bar of soap at **Glenn Avenue Soap Company** or blend your own custom cosmetics at **Mukha Spa**.

**LATE AFTERNOON** | Head to **Square One** for manis/pedis or **The Blowout Bar** to get your hair fixed up for the night.

**EVENING** | BYOB to **Studio 614** for a group painting class that will bring out the artistic side in everyone. Hand-crafted meads and live music can be found just down the street at **Brothers Drake Meadery**.

**DAY 3** Before heading home, stop in the **North Market** for a quick bite, or go on a **Columbus Food Adventures** tour to taste the best of Columbus' food scene.
