The Grand Hall

VENUE SPOTLIGHT

Located in between Conroe and Montgomery, The Grand Hall is a romantic and charming setting for your special day.

The Grand Hall has many hidden treasures. One being the Deer Lake Lodge directly behind the venue. That's right; there is a Resort and Spa right in their backyard! The Grand Hall, as well as Deer Lake Lodge, are owned and operated by Montgomery County native, Tracy Boulware.

Tracy first opened the Deer Lake Lodge and later decided to open The Grand Hall, and the rest is history. The Grand Hall is a relatively a new venue. It boasts a rustic, yet modern feel.

If you are having a tough time deciding between an outdoor or indoor wedding, The Grand Hall has the perfect ceremony spot. You will be covered by the ceremony barn, while the barn walls are open for an outdoor feel.

Brides that book with The Grand Hall have the option to also book with the Deer Lake Lodge. This is a great choice for out of town guests needing a place to stay. Also, can you just think of how relaxed you'll be preparing for your wedding while getting a massage? It's really a win-win.

Be sure to contact them directly for a tour and for so much more information!

Madera Estates

When planning a wedding, no couple wants to hear about limits. Neither do we. That's why we work with you to plan a day built on dreams, a visionary event in which every detail, from grand to intimate, is carried out beyond all expectations.

Kick off your celebration in our elegant, extra-large Champagne Suite and get pampered in style while sipping champagne, day dreaming of the countless memories that have yet to come. A distraction from any hint of pre-wedding jitters, The Whiskey Lounge is the perfect retreat and fully equipped with entertainment, games, and libations.

Meanwhile, as you fasten your veil and pin your boutonniere, your guests are greeted by the architecturally-stunning beauty that is Madera Estates, taking inspiration and visions from the historic town of San Miguel de Allende, Mexico, an artist's haven and UNESCO World Heritage Site. Immediately, your loved ones are transported from the piney woods of Southeastern Texas to the breathtaking and luscious highlands of Central Mexico.

After you've said your "I Do's," your friends and family will be mingling over delicious cocktails and enjoying savory bites in the Arcade and Veranda, our relaxing terrace lounge. When it's time to party, bring down the house inside the Hacienda with music by our in-house DJ or a live band. Or perhaps you'd prefer to set your celebration outside in front of our Grand Fireplace, dancing under a canopy of stars.

Big Sky Barn

VENUE SPOTLIGHT

Newly opened in 2015, the Big Sky Barn is one of the most picturesque venues in Conroe.

Having performed over 450 weddings in 3 years, Big Sky Barn should be at the top of your list. Owned and operated by Montgomery County natives, Ryan and Kelli Aikins, who built this beautiful venue from the ground up. Hand picking the inimitable features you see, Big Sky Barn is full of unique and historical pieces.

The 10,000 square foot venue is perfect for planning the wedding of your dreams. Everything you see is completely customizable. This gives you the freedom to create the space and wedding you've always wanted.

If you think you're impressed by the venue, wait until you meet the staff that is behind all of the stunning weddings. Dana Soerries, Lead Venue Representative, boasts the uniqueness of the staff. This vibrant team is made up of family, friends and family-friends. You can truly feel the welcoming atmosphere as you enter the venue.

Be sure to look up Big Sky Barn's photos when looking at venues for your special day.

The Farmhouse

VENUE SPOTLIGHT

With such charming scenery, The Farmhouse makes the perfect backdrop for a beautiful wedding.

In January 2019, The Farmhouse will be 2 years old. But don't let the young age fool you; this venue is the real deal. The Farmhouse has been home to just about 300 weddings. Needless to say, The Farmhouse is in high demand.

The Farmhouse has a special feel starting with the very front doors. This venue boasts a modern rustic theme. With options to have your wedding indoors in the chapel, or outdoors in the courtyard, The Farmhouse can accommodate 50-300 guests.

We all have a specific vision going into our big day. The Farmhouse can help you customize the space and make it exactly what you thought of. This goes as far as designing the floor plan in the reception hall. Nothing goes untouched by you.

Although The Farmhouse has clearly made their name in producing immaculate weddings, they are also here to help with any other events you might have. Allow the staff to show you around and I promise you will not be disappointed.
