## ABOUT COOK COUNTY

The northeastern corner of Minnesota shares an international border with Canada. To the east, the rugged shoreline of Lake Superior's North Shore is awe-inspiring. Four distinct communities dot the shoreline; Schroeder-Tofte-Lutsen (the West End), the quaint harbor village of Grand Marais, historic Grand Portage, and further inland lies the Gunflint Trail. No matter how you travel, your journey here is part of the adventure.

**By Water**

Take the path less traveled and navigate by boat or sailboat to Cook County. The Lake Superior Water Trail extends 150 miles from Duluth to the Canadian Border.

Surround yourself in  
history and culture.

# A LIVING HISTORY

The North Shore of Lake Superior is rich with scenic beauty and human history. Located within the traditional cultural homelands of the Lake Superior Ojibwe, the landscape balances the waters that surround us. Before gravel roads and paved highways, the people traveled by water. The design and use of Kevlar canoes today originate from the birchbark *jiimaan* hand-built by Ojibwe people, and the metal fishing boats that pull in fresh catches of herring are related to the wooden herring skiffs that early European settlers built to harvest Lake Superior fish from spring to fall. The lake trout, herring, coho salmon, steelhead, menominee and

whitefish from the waters of Gichigaming (Lake Superior) have been nourishing families and visitors for centuries. It is just one of many North Shore resources that continue to sustain our way of life and contribute to the living culture of this region.

Early industry on the North Shore was in the fur trade, with operations centered at Grand Portage (Gichi Onigaming), referencing the “great carrying place,” an 8.5-mile portage that circumvents the tallest waterfall in Minnesota--High Falls and the upper Partridge Falls on the Pigeon River. This ancient travel route used by

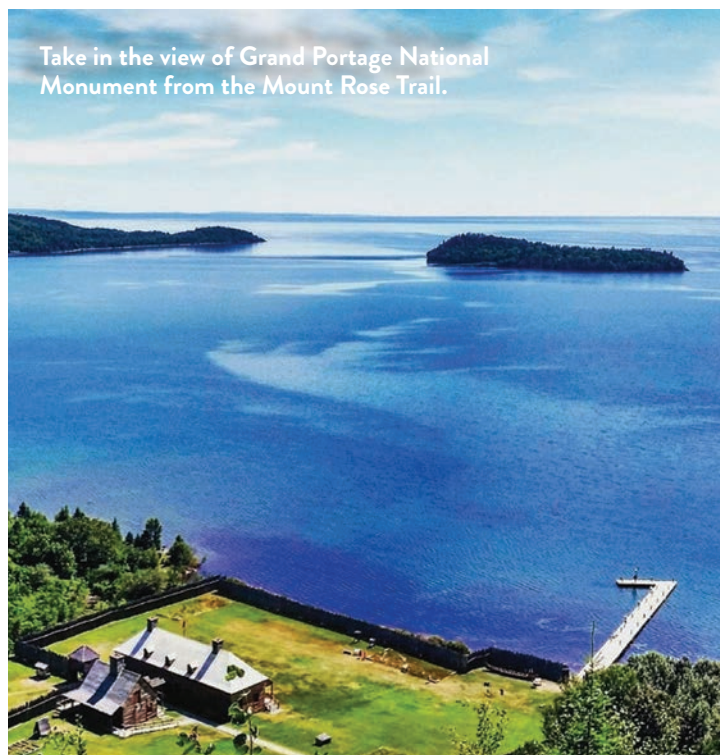

Indigenous people for thousands of years allowed French Voyageurs access to the interior lakes and river systems known as the Border Route. From 1784 to 1803, the North West Company's inland headquarters was located at Grand Portage, the largest fur trade depot in the heart of the continent. And every year in late summer, the Grand Portage Ojibwe host an annual Pow-Wow and Rendezvous to celebrate the significance of Gichi Onigaming and the resilience of the Grand Portage Anishinaabeg. The chain of lakes and rivers that straddle the U.S. and Canadian border, from Lake Superior inland to Saganaga Lake and beyond, continue to serve as travel routes for visitors to the Boundary Waters Canoe Area Wilderness and are enjoyed by cabin owners and visitors to the many outfitters, lodges and retreats on the Gunflint Trail.

Gichi Bitobig is the Ojibwe name for Grand Marais, a town built at the intersection of two beautiful bays. A seasonal fishing village for hundreds of years, Addikonse (Little Caribou) was a pre-colonial leader who lived at Grand Marais in the mid-1800s. He was the last of the Ojibwe chiefs to sign the Treaty of 1854, which ceded approximately 5.5 million acres of Ojibwe homeland to the U.S. Government. By the mid-1800s, local industry shifted from the fur trade and into logging, land acquisition and mineral prospecting. For many years, the North Shore harbors served as export hubs for massive amounts of timber, with thousands of acres of old-growth White Pine sold to help build the cities of Chicago, Milwaukee, Minneapolis, St. Paul, Duluth and Superior. Today, the forest continues to provide resources for area loggers and builders, while also being an endless source of inspiration for writers, photographers and other artists—from Plein Air painters and potters to jazz guitar virtuosos and puppeteers—the North Shore arts community has it all. In winter time, the slopes along the Superior Highlands provide downhill and cross country skiers and snowboarders with extraordinary views of Lake Superior, and snowmobile trails connect riders with the winter landscape from Lutsen to Grand Portage.

Here on the North Shore, visitors can experience the small and friendly places that carry on the rich traditions of people who have lived on the North Shore for thousands of years—communities shaped by the waterways, rugged landscapes and unique beauty of the remote, boreal forests that surround us. From the Sugar Maple stands that flourish on the ridges of the Superior Highlands to the majestic White Pines that stand guard over rocky outcrops all along the ancient water routes, this is a place where stories and histories are alive with beauty, cultural diversity and the lure of what is around the next corner.

Imagine what life was like centuries ago at Rendezvous Days.

Take in the view of Grand Portage National Monument from the Mount Rose Trail.

# LUTSEN, TOFTE + SCHROEDER

THESE WEST END GEMS HOLD ENDLESS  
OPPORTUNITIES FOR FAMILIES AND  
FRIENDS IN EVERY SEASON.

It may be a surprise to some, but Highway 61 runs along the North Shore of Lake Superior more east to west than north to south. Because of this orientation, locals coined the phrase “the West End” to refer to the three small towns of Lutsen, Tofte and Schroeder. Just a handful of miles apart from one another, these friendly rural towns create a trio of points to hop along on your adventures like rocks across a creek.

For visitors from the south, the West End is the gateway to Cook County. As you glimpse into the history of logging, fishing and recreation for which they were established and settled more than a century ago, you will feel a distinct atmosphere in each community as you pass through—a blend of history, culture and modern outdoor experiences. Today, the West End’s historic lodges and resorts, lakeside and forest campgrounds and luxurious relaxation options are sure to keep you busy during your stay. The West End is home to many hidden gems just waiting to be explored. From sparkling lakes to glacial sculpted mountains and sleek canyons smooth like poured molten precious metal. You’ll discover secrets about yourself and the environment with every step.

If you’re a bicycling enthusiast, you’ll find endless miles of gravel routes and the paved Gitchi-Gami State Trail that push your limits and challenge what you thought was possible. Or hit the “Jackpot”—the sensational new single-track mountain bike trail connecting the Britton Peak trail system in Tofte to Lutsen.

When the snow falls, get out in it! In addition to the alpine slopes at Lutsen Mountains, discover the immaculate Norpine and Sugarbush Nordic ski trails, try snowshoes for an invigorating workout, ice skate at local rinks or go for an exhilarating snowmobile ride through the wilderness.

## IT'S THE PERFECT OPPORTUNITY TO GET OUTSIDE AND EXPLORE A UNIQUELY DIVERSE LANDSCAPE.

On a perfect spring day, it is possible to make fresh tracks at Lutsen Mountains in the morning and as the temps warm up, swap your skis for clubs and play the stunning Superior National at Lutsen Golf Course in the afternoon. And do not miss a chance to hike along the Caribou, Cross, Temperance, Onion, Poplar and Cascade rivers that lead to enchanting cascades and waterfalls.

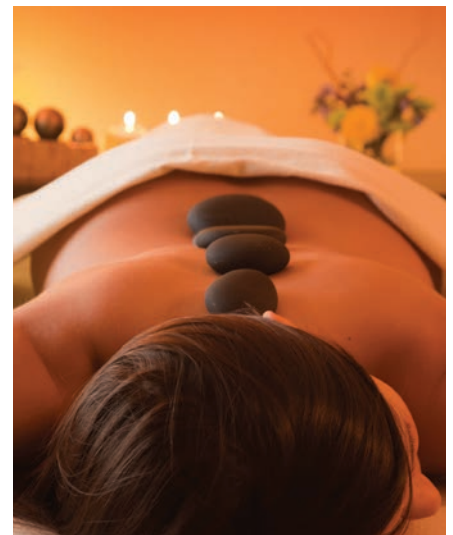

For those looking to indulge, treat yourself to one of the top-notch spas and melt away your stress beside Lake Superior’s calming backdrop. Wine-down at North Shore Winery, featuring locally-crafted ciders and wine. Take a trip back in time to revisit an original fishing village at Tofte’s North Shore Commercial Fishing Museum or explore history at the Cross River Heritage Center in Schroeder.

Ride over 20 miles of single-track mountain bike trails.

Indulge in locally-crafted food and beverage.

# SUSTAINABLE TOURISM

## KEEP COOK COUNTY WILD FOR GENERATIONS

Cook County is so much more than a vast natural wonderland. It's a collection of communities and people—both residents and visitors—who value the fine balance of wild space and sustainably curated development.

## LEAVE NO TRACE

As you plan a visit, consider adopting a Leave No Trace mentality that enables you to use wild spaces ethically and sustainably.

By planning ahead to minimize your impact, being respectful of wildlife and other visitors, being responsible and safe with campfires and disposing of waste properly, you'll be doing your part to protect the environment and preserve the unique beauty and majesty of Cook County.

## TRAVEL SUSTAINABLY

Cook County covers over 3,000 square miles of pristine wilderness, shoreline and developed communities. It's safe to assume that all visitors will be driving from place to place while they're here, but that's certainly not the only way to travel around our communities. Try exploring our business districts on foot as much as possible.

Cyclists come to enjoy over 2,000 miles of potential rides. From the paved Gitchi-Gami State Trail, endless gravel roads and white-knuckle single-track, the opportunities are endless.

During winter, snow blankets the entire region, averaging over 120" each year. Cook County is home to over 400 km of incredible cross country ski trails, making experiencing our wilderness an epic adventure.

# THE WATERS OF COOK COUNTY

From Lake Superior to the long, thin lakes of the Boundary Waters Canoe Area Wilderness (BWCAW) and countless bodies of water in between, water is everywhere in Cook County. After the mid-continental rift split the earth's crust and ancient submarine volcanoes formed Cook County's characteristic rocky terrain, massive glaciers blanketed the entire region. When these behemoths retreated, they carved deep gouges into the bedrock that would become the thousands of lakes and streams that mark the land today. No trip is complete without getting on or in the water in a way that speaks to your soul.

## **PADDLE LAKE SUPERIOR**

Sign up for a guided kayak or stand-up paddleboard experience on Lake Superior. Navigating the stunning shoreline of Lake Superior in a paddle-powered watercraft is a once-in-a-lifetime experience, but you certainly don't have to limit yourself to a single adventure. There's something deeply satisfying (and humbling) about using only the power of your body to move steadily through the world's largest freshwater lake.

Discover the wonders of the  
Cook County lifestyle.

## FISH INLAND LAKES, STREAMS AND LAKE SUPERIOR

Whether you prefer to cast from shore, a canoe, a charter boat, a cozy ice shack or find your own secret honey hole, Cook County has fishing spots sure to satisfy your desire to catch a trophy. Anglers aged 16+ must have a Minnesota Fishing License, which can be purchased online or at a local store.

*YOU'LL FIND A WEALTH OF CHINOOK SALMON, PINK SALMON, RAINBOW TROUT, BROOK TROUT, STEELHEAD, LAKE TROUT, WHITEFISH, WALLEYE AND MORE HIDING IN THE WATERS OF COOK COUNTY.*

## EXPERIENCE THE BWCAW

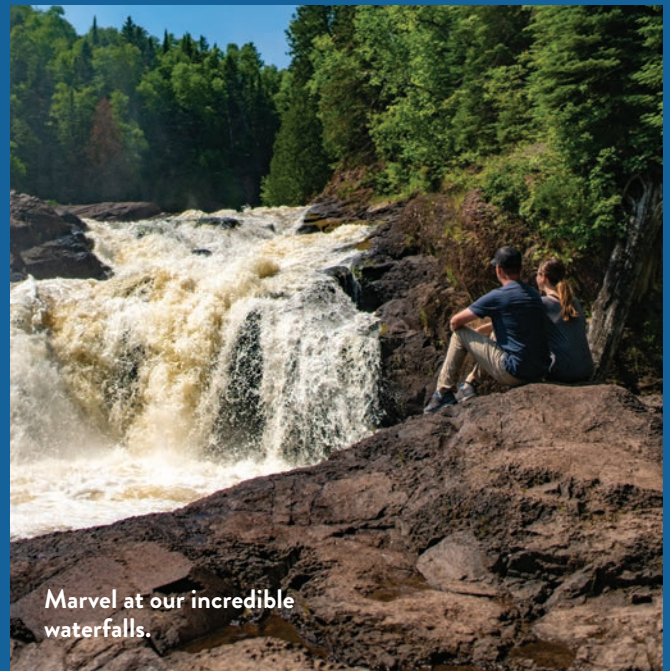

A trip to the BWCAW is an adventure into a true wilderness. In a place this remote, the absence of human-made light means you'll experience one of the darkest skies in the world, and you'll feel like you have the entire million-acre wilderness to yourself. Paddle through pristine lakes and streams and portage your gear through stunning and challenging terrain.

## TAKE A SWIM

No summer is complete without a good, old-fashioned swim, and with water everywhere you look in Cook County, there's no shortage of great places to jump in. Clear and cold, peaceful and powerful, swimming in Cook County is a refreshing and fun rite of passage.

Paddle over 2,000 lakes.

Marvel at our incredible waterfalls.

Feel the power of High Falls, Minnesota's tallest waterfall.

## DISCOVER WATERFALLS

Every spring, when hundreds of thousands of acres of accumulated snowfall melts, it all finds its way to Lake Superior. Along the way, once-quiet streams transform into a roaring rage of waterfalls. From pop-up falls to year-round dramatic drops, Cook County is home to a diverse range of waterfalls. Check out Devil's Kettle Falls in Judge C.R. Magney State Park, High Falls of the Pigeon River in Grand Portage State Park and countless smaller falls along many hiking trails throughout the region.

# GRAND PORTAGE

GRAND PORTAGE IS WAITING TO BE  
DISCOVERED AND READY TO BE THE START  
OF YOUR NEXT BIG ADVENTURE.

Can you feel it? The pulse of tradition and heritage beneath your feet? Can you hear it? The rush of the mighty Pigeon River crashing down High Falls? A mere 45-minute drive from downtown Grand Marais, Grand Portage is on the east end of Cook County at the very tip of Minnesota's Arrowhead, bordering Canada. This community is home to the Grand Portage Band of Lake Superior Chippewa and boasts some of the best hiking, snowmobiling, sightseeing, history, gaming and culture that Minnesota has to offer.

Grand Portage has been a legendary place to gather and make memories for centuries, and after one visit to the original Bold North, you will understand why. Grand Portage is waiting to be discovered, and ready to be the start of your next big adventure. Lush and vibrant swaths of green leaves and needles create the landscape of Grand Portage, complete with rugged mountains, a roaring river and the crystalline waters of the great Gitchi-Gami, where inlets of the Susie Islands hint of wilderness to be discovered and whispers of Isle Royale blur the horizon.

A not-so-well-kept secret, Grand Portage is filled with memories to be made around every corner, a welcoming place for visitors of every kind looking to experience and enjoy this thriving and unique community. Twenty-two miles off shore, there's "Minong," a name given by the Ojibwa to Isle Royale. A mecca to hikers, backpackers, campers, fisher-people, moose lovers, kayakers, shipwreck enthusiasts and scuba divers, the archipelago

spans over 200 square miles of unspoiled playground. Hop a ferry to Isle Royale National Park, or navigate there with your own boat. It's certainly worth the trip! Back on the mainland, nature devotees can experience High Falls, the tallest waterfall in Minnesota, or hike a stunning 2.5-mile loop that includes the summit of Mount Josephine.

**DON'T FORGET YOUR CAMERA.  
THE VIEWS ARE WORTH  
BRINGING HOME TO CHERISH  
FOREVER.**

And with over 100 miles of meticulously-groomed snowmobile trails (and no shortage of snow), winter isn't a four-letter word in Grand Portage. Instead, it's a time to celebrate, explore and experience the vast and beautiful natural landscape that surrounds the cozy community.

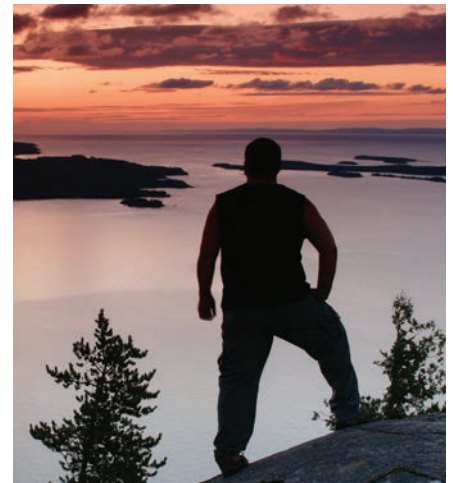

History buffs can experience the traditions of the Ojibwe and French Voyageurs of the Fur Trade come to life at the Grand Portage National Monument. Entertainment can be found at the newly-renovated Grand Portage Lodge & Casino, featuring 15,000 square feet of gaming action with live entertainment. Dog lovers can follow their hearts north in January to cheer on teams of mushers competing in the John Beargrease Sled Dog Marathon. Be bold; plan your visit to Grand Portage now.

# DARK SKY SANCTUARY

## OVER 1 MILLION ACRES OF THE NATION'S DARKEST SKIES

Catching a glimpse of the northern lights is a once-in-a-lifetime opportunity. It's a chance to experience the mystical feel connected with something almost otherworldly. There is simply no comparison to seeing the aurora with your own eyes.

While dark skies are visible in many areas throughout the world, there's no better place than Cook County. Whether you're in the Boundary Waters—which, at 1.1 million acres, is certified as the world's largest Dark Sky Sanctuary—or along Lake Superior, you can make your stargazing experience extra memorable with these tried-and-tested tips.

Seize every opportunity to see the Northern Lights.

Behold the vastness of the Milky Way Galaxy.

1

#### CHECK THE FORECAST

The best viewing is during clear nights with little to no moonlight. Once your eyes adjust to the soft starlight, you'll be amazed at the wonders of the night sky. You can also check specific aurora forecasts to know when you have the best odds of catching a glimpse.

2

#### BUNDLE UP

Heads up! Northern Minnesota nights get chilly. We highly recommend dressing in layers. During summer, your favorite fleece will do. Come winter, pile it on! The dark skies last longer in the winter, so it's worth bundling up to brave the weather.

3

#### LOOK NORTH

Find a spot with a clear view to the north, a place without hills or trees blocking your line of sight. When in doubt, use a compass to be sure you're looking north, and don't be afraid to ask a local for recommended viewing spots. We're always happy to share.

4

#### NO LIGHTS

Your eyes need time to adjust to the natural darkness, so be sure to turn off car lights, house lights and flashlights, and keep your cell phone screen dim. If you need light, a red-colored glow will protect your night vision and won't disrupt others.

5

#### EXPECT THE UNEXPECTED

If you're hunting auroras, you're likely to see green-yellow or smoke-like white-gray displays, but deep purples and vivid reds also appear in Cook County from time to time. You may also see clear views of the Milky Way, orbiting satellites, faraway planets and stars you've never seen before.

6

#### THAT'S IT!

Now you're ready to experience nature's most beautiful and intriguing nighttime show. No matter what happens out there—whether you see an amazing display or the briefest of moments—you won't be disappointed, and the experience will live on in your memories forever.

# GUNFLINT TRAIL

NATIONAL GEOGRAPHIC HAS NAMED THE BWCAW AS ONE OF THE WORLD'S "50 PLACES OF A LIFETIME." IT'S NO WONDER THE AREA IS A KEY ATTRACTION.

Discover the allure of the protected wilderness of the Boundary Waters Canoe Area Wilderness.

Take a drive up the Trail is a message repeated to many visitors who stop by our information centers year after year. The Gunflint Trail National Scenic Byway (County Road 12) is a 57-mile paved roadway that begins in Grand Marais and skirts the Canadian border at its most northern points. Originally, the Gunflint Trail was a footpath developed into a dirt road in the late 1800s. Now a paved byway, the "Trail" winds its way inland, following the path created long ago.

The Gunflint Trail is most notably known as a gateway into the Boundary Waters Canoe Area Wilderness (BWCAW). Iconic Gunflint pines stand majestically as nature's archway and while paddling draws many visitors, the vast wilderness is accessible to all with many bordering cabins, lodges and resorts to book your stay. The wildlife, the forest, the water and the quietness are waiting for you any time of year.

Getting to the Gunflint Trail is easy. Drive the North Shore Scenic Byway of Highway 61 to Grand Marais and with one simple turn, you will find yourself climbing over the Sawtooth Mountain ridgeline into the vast boreal forest.

With every season, the Gunflint Trail offers different adventures. Spring wakes slowly in the northland, and as the last tentacles of ice pull away from the shorelines and stubborn snow drifts melt, the green of summer makes a grand entrance.

Chik-Wauk Museum and Nature Center near the end of the trail opens on Memorial Day and offers historical and nature exhibits, outdoor hiking trails and children's programs.

## THE GUNFLINT TRAIL SKY IS WELL KNOWN FOR ITS NIGHTTIME DARKNESS AND BOASTS THE DARKEST SKY EAST OF THE MISSISSIPPI.

Make sure to set your alarm and enjoy the grandeur of the Milky Way and the dance of the northern lights.

Most visitors choose spring, summer or fall to paddle in the pristine waters of the BWCAW, but those who brave a winter trip into the wilderness come out with experiences unlike any other.

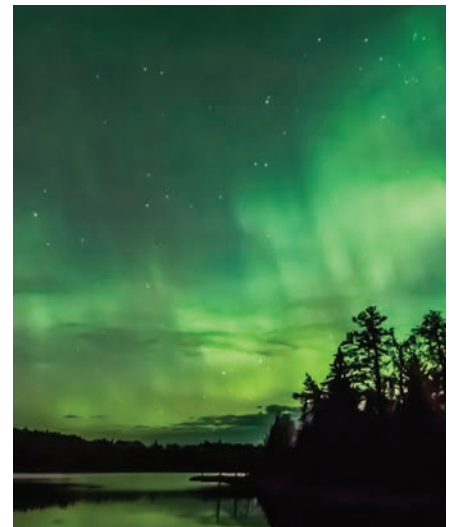

Warm summer nights under the dancing northern lights are magical, and winters on the Gunflint bring a dreamlike snow globe to life. With over 180 km of groomed Nordic ski trails on three major trail systems, numerous lakes for ice fishing, snowmobiling or dog sledding, you'll find adventure at every turn. At the end of the day, return to a toasty fire at one of the many lodges dotting the Gunflint Trail.

Drive slow! You never know who might be around the corner.

Glide on over 180 km of groomed cross country ski trails.

Whether it is the northern lights, the Milky Way or a full moon, every night brings delights.

# STATE PARKS + TRAILS

Bring your fur babies  
along for the adventure.

## 3,340 SQUARE MILES OF WILD LANDS TO DISCOVER

As soon as you enter Cook County, the vast natural landscape will take your breath away. You'll be ready to get out into nature to experience it all. Throughout the area, you'll find incredible state parks, a national monument, wilderness areas and national scenic trails. These hidden gems are wild and beautiful, each unique in its own right, and each waiting to be explored.

Our parks are home to countless miles of trails that take you into the wild heart of Cook County. For most of the year, you can hike, bike and OTV/ATV

through rugged terrain, and when the snow falls, our trails transform into a winter wonderland for cross country skiing, snowshoeing, fat tire biking, dog sledding, skijoring and snowmobiling. Further inland, in the Boundary Waters Canoe Area Wilderness (BWCAW), you can paddle a canoe or kayak and portage through our state's most remote wilderness area.

Whether you're planning a day trip or longer camping excursion, Cook County state and national parks and trails are waiting.

**1 TEMPERANCE RIVER STATE PARK**  
Just one mile northeast of Schroeder on Highway 61, this park boasts incredible trails for hikers of all abilities and stunning views of the Temperance River Gorge. Hike to Hidden Falls or the summit of Carlton Peak and enjoy every moment of spectacular views. For the history aficionados out there, the river earned its name because it has no sand bar, and a place without a “bar” deserves to be called Temperance!

**2 CASCADE RIVER STATE PARK**  
Eight miles northeast of Lutsen on Highway 61 lies the Cascade River State Park and endless opportunities for adventure. View the beautiful waterfalls that create Cascade Falls, then trek to the dramatic, multi-tiered gorge section known as the “Cascades.” Stop often to take in the gorgeous views or to cast a line out for fish.

**3 JUDGE C.R. MAGNEY STATE PARK**  
Head northeast of Grand Marais on Highway 61 for 14 miles to find this wonderful state park. Go birding, fish for trout and hike the 2.5-mile loop along the Brule River to see Devil’s Kettle Falls, a spooky split waterfall that pours into a hole that was once thought to be bottomless.

**4 GRAND PORTAGE STATE PARK**  
Located right on the border between the U.S. and Canada, this state park is also home to High Falls, the tallest waterfall in Minnesota. At 120 feet, High Falls is one of the most incredible features of the Pigeon River, and it’s accessible via a half-mile barrier-free boardwalk.

**5 GRAND PORTAGE NATIONAL MONUMENT**  
Explore the history of the fur trade and the original native peoples (Anishinaabe) of our region through the historic fort and interpretive center supported by the national parks service. Hike the Grand Portage, an 8.5-mile trek from the wilderness interior to Lake Superior that was historically used to bypass the high falls and cascades of the Pigeon River, or take in the view of Grand Portage Bay from the Mount Rose Trail.

**6 ISLE ROYALE NATIONAL PARK**  
While Isle Royale National Park is technically in Michigan waters, the island archipelago is just 22 miles from Grand Portage. Known as Minong to the Grand Portage Band of Lake Superior Chippewa, the archipelago is ancestral land with deep cultural connections. Visitors are welcome to take a day trip by ferry or embark on a multi-day adventure on the island for fishing, kayaking, hiking, boating, birding and more. Explore historic sites, including lighthouses, copper mining sites and shipwrecks.

**7 NORTH COUNTRY NATIONAL SCENIC TRAIL**  
The North Country National Scenic Trail is the longest in the National Trails System, stretching 4,800 miles across eight states from North Dakota to Vermont. Cook County’s portion traverses along the north shore of Lake Superior via the Superior Hiking Trail and inland on the Border Route and Kekekabic Trails in the BWCAW.

**8 BOUNDARY WATERS CANOE AREA WILDERNESS**

Over one million acres of pure wilderness bordering Canada, the BWCAW is Minnesota’s largest wilderness. No traffic or ringing phones, just nature. Traveling by canoe or kayak connects visitors with the area’s rich history. Designated as a Dark Sky Sanctuary, it offers some of the darkest skies in the world.

Find adventure  
in every season.

# SEASONAL HIGHLIGHTS

## NATURE HAS NO OFF SEASON

When you look around Cook County and take in its vast and unique beauty, it's easy to see that there is no 'off season.' From waterfalls to snowfalls and everything in between, Mother Nature doesn't take a day off here.

Every spring, Cook County awakens. It's an absolutely spectacular season full of new life, changing landscapes and fresh opportunities to get outdoors and explore every corner of the region. Between the countless pop-up waterfalls that appear as the snow melts, stunning wildflower blooms and adorable baby animal sightings, spring is a unique and fun time to plan an adventure.

### TO DO THIS SPRING

- Experience** waterfall season
- Catch** the early season walleye bite or steelhead run
- Watch** the spring bird migration
- Participate** in the Le Grand Du Nord Gravel Cycling Classic

Spend the night  
under the stars.

It's bright, green and cool all summer long, making the region the perfect training ground for athletes of all abilities.

*LAKE SUPERIOR ACTS  
LIKE A NATURAL  
AIR CONDITIONER,  
KEEPING US COOL ALL  
SUMMER LONG.*

Hike, bike and paddle the long summer days away in Cook County. The opportunities for adventure during summer are limitless.

### TO DO THIS SUMMER

- Plan** a Boundary Waters trip
- Attend** a summer festival
- Summit** the tallest peaks in the state
- Camp** at state or National Forest lands
- Wander** the locally owned shops to find hidden gems

Zoom through  
the treetops.

When the leaves begin to change color and the temperature drops, the pace in Cook County slows down. It's a time for long colorful drives or quiet, peaceful treks through the Superior National Forest followed by a stop at a local brewery. Whether you're hiking or biking, you might feel like you have the trails all to yourself. And just when you think it's all calm and tranquil, the Gales of November usher in our tumultuous Storm Season.

Play a round or two (or more!).

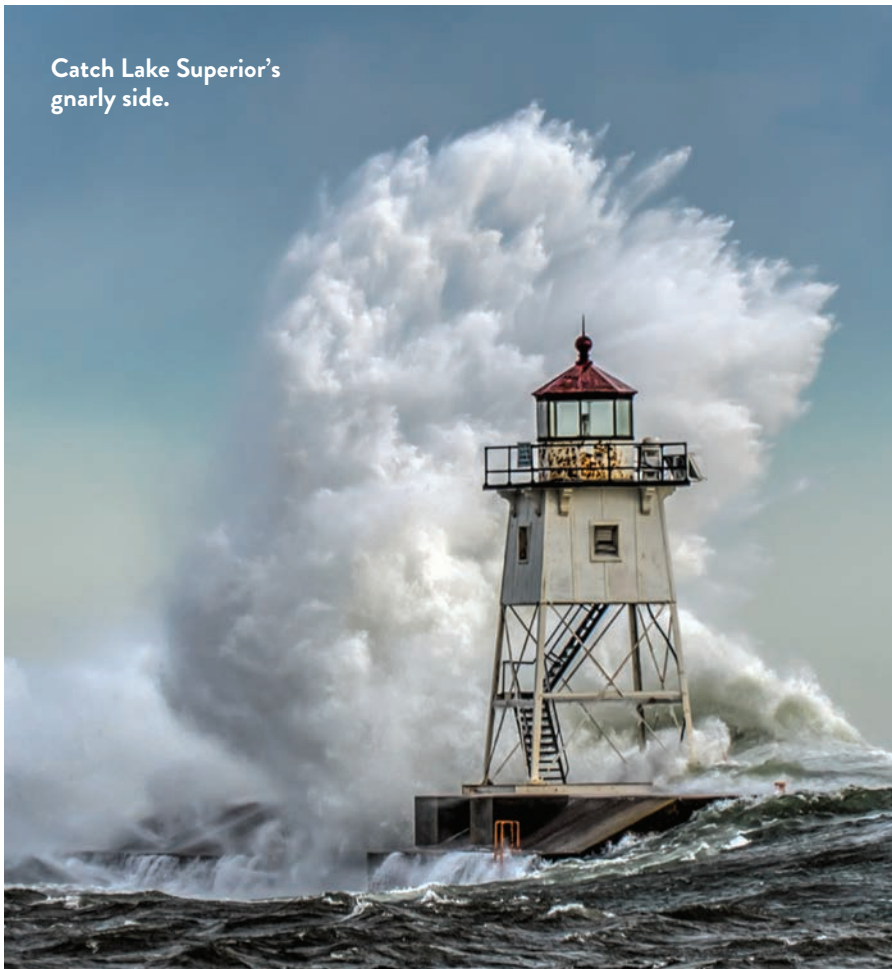

### TO DO THIS FALL

- Take** a famous fall color drive
- Marvel** at the power of Storm Season
- Golf** at Superior National Golf Course or Gunflint Hills
- Catch** live music at a local venue
- Peruse** the Art Along the Lake Fall Studio Tour

Try something new, rent a pair of cross country skis.

Catch Lake Superior's gnarly side.

## THERE'S TRULY NO PLACE QUITE LIKE OUR WINTER WONDERLAND.

From downhill skiing and snowboarding at Lutsen Mountains and cross country skiing along 400 km of groomed trails to long sauna sessions and embracing the hygge mindset, there's so much to love about winter in Cook County. With an average of 120" of snow each year, we make the most of it by getting outside to exercise, experience and play all season long.

### TO DO THIS WINTER

- Fall** in love with fat tire biking
- Cross country ski** or snowshoe in the Superior National Forest
- Stargaze** under one of the nation's darkest skies
- Ride** over 400 miles of snowmobile trails
- Embrace** cozy culture at the annual Hygge Festival
