# WELCOME RUNNERS

---

The past year has been a challenging and emotional time for all of us, but Wineglass is happy to welcome runners back to in-person racing. 2021 marks our 40th year running, and it feels even more significant and sweet as we come together after a year like no other!

For many, you will toe the start line in person for the first time in almost two years. With so many races offering you the chance to run anywhere you desire, thank you for choosing Wineglass! We have missed greeting you at the Expo, guiding you to the start line, supporting you along the course as you strive to achieve your goals and cheering for you as you cross the finish line.

We welcome back special guests, Meb Keflezighi and Bart Yasso and thank them for helping us celebrate this special weekend. Grab a photo with them at the Expo Friday or Saturday, run with them at the Corelle 5K on Saturday, or join them for a healthy and nutritious pasta dinner Saturday night at the Radisson.

We hope you take some time to explore all that our region has to offer. Enjoy the benefits that can only be found in small town America known for world class experiences. Please take part in our rich glass making history with a glass making experience, visit one of the numerous wineries, enjoy a wide array of craft beverages, chocolate trails, world-renowned art, and so much more.

Wineglass Weekend is special for all of us! We couldn't do it without our sponsors, communities, volunteers, or you, the runners who have come out to run with us for 40 years. We celebrate your success as we come together in person this year!

May the miles be many and always good to you!

**Sheila W. Sutton, Wineglass Race Director**

# A WORD FROM OUR TITLE SPONSORS

---

## WELCOME TO CORNING AND CONGRATULATIONS!

Guthrie is committed to helping each person attain optimal, life-long health and well-being. We know that physical activity is vital to this mission, which is why we are again honored to be the title sponsor of the Wineglass Marathon.

Like you, we are thrilled that the live event has returned. Nothing compares to race weekend – the expo, the pre-race dinner, and the excitement on Market Street as runners near the finish.

Now is the time you've been training for. You've endured aching feet, blisters and maybe even some falls – but your physical and mental commitment kept you going. That is something to celebrate.

Congratulations, and thank you for participating in this beautiful race. Run strong and be proud of your success. We certainly are.

## WELCOME RUNNERS,

Each year as we consider our priorities at Wegmans, giving back to the community always rises to the top. We believe communities thrive when we all work together, and we have a mission to help our customers and employees live healthier, better lives. As the title sponsor of the Wineglass Half Marathon, we accomplish these goals, and so much more.

Despite a global pandemic last year, the Wineglass Race Series persevered. Runners from all over the world signed up for the series, lacing up their sneakers and heading out on their local course to take part in the virtual race. This year we're excited to have racers back here in our hometown. We look forward to handing you a cup of chicken noodle soup at the finish line or providing you with a great pre-run snack at the yearly Health & Fitness Expo. We hope you will enjoy the beauty of fall in Western New York.

For the racers attending virtually, know that we are cheering you on every step of the way. While you won't hear the roar of the crowds at the finish line, the accomplishment will feel just as sweet at the end of your run.

Regardless of how you are participating this year, we're so glad you decided to join in on the fun. The memories you make this weekend are sure to last a lifetime.

Have a great race,

**Garret Callahan, Wegmans Corning Store Manager**

# SPECIAL GUEST

---

Olympian. Boston Marathon Winner. New York City Marathon Winner. Olympic Medalist. Humanitarian. Motivational Speaker. Author.

We welcome back, Meb Keflezighi, one of the most transcendent athletes in history, an athlete widely acclaimed as one of the greatest runners of our time in an intimate, small-town setting.

Although he might not be chasing Olympic medals these days, Meb Keflezighi stays connected to the world of running and maintains an unwavering commitment to helping others go the distance in their own lives — physically, professionally, personally, and spiritually. Every day, he inspires individuals of all ages and athletic abilities to achieve their own personal best.

The only athlete in history to win the New York Marathon, the Boston Marathon, and an Olympic Medal, Meb hadn't even heard of the Olympics until he was a teenager.

A refugee from war-torn East Africa (and now a proud and patriotic American), Meb had the resilience, determination, and faith to prevail following some of life's most challenging and heart-breaking circumstances. Meb is a graduate of the University of California Los Angeles (UCLA) and his records include four NCAA championships, 23 National Championships, and a place on four United States Olympic teams.

By serving as a role model and source of inspiration, Meb is helping audiences worldwide learn to Run to Overcome, no matter what the odds or challenges they face in their everyday lives.

# GIVING BACK

---

The Guthrie Wineglass Marathon is about more than just running. It's also about giving back to the communities along the course.

Thanks in part to the generous donations of our registered runners, six \$1,000 scholarships were awarded in June at the end of the school year to seniors runners from Corning-Painted Post. Eligible recipients come from the three school districts the race runs through: Bath-Haverling, Campbell-Savona, and Corning-Painted Post High School. Applicants must be graduating high school seniors and have participated on the track team for at least two years.

2021 Wineglass Scholarship winners: Left to right top row, Lydia Keys, Chloe Freeland; Left to right bottom row - Alicia Lawson, Hugo Sutton, Victoria Collins; Not pictured - Brayden Hayes-Glick

## Additional Charities Partially Funded by your Generous Donations

**House of Hope** – The Sayre House of Hope provides a home away from home for patients and families of Guthrie Hospital.

**First Tee – Corning** – A youth development organization introducing the game of golf and its inherent values to young people.

**Girls on the Run** – A transformational, physical, activity-based, youth development program for girls in grades 3 – 8. Girls on the Run teaches life skills through dynamic interactive lessons and running games.

## A HERO LOST

Steve Beebe, 1966-2021

Savona Fire Chief, EMS supporter, community supporter and volunteer, Steve Beebe was a fixture at the Guthrie Wineglass Marathon and passed away in July of this year. Steve proudly led the Savona Fire Department for 32 years. The Savona area has always been a critical point of the Wineglass course dating back to the early days serving as an exchange point for the relay. Steve and his team were instrumental in securing the course, enlisting resources, and

keeping runners and spectators safe.

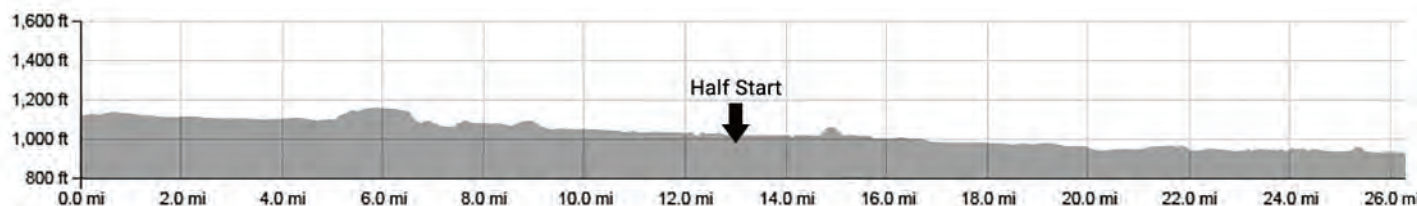

**We will miss his leadership, support, and smile.**
