FINGER LAKES BEER TRAIL

The Finger Lakes Beer Trail promotes the growing craft brewing industry in the Finger Lakes, showcasing the region's microbreweries and brew pubs. The trail is comprised of over 85 craft brewers, spanning roughly 210 miles across the central part of New York State from Rochester to Syracuse down to the Corning and Binghamton areas, resulting in a trail overflowing with natural beauty along which tourists and beer aficionados alike can enjoy an abundance of delicious locally brewed beers.
