GENERAL CONTENT

Corpus Christi welcomes more than 10 million visitors annually and is home to an enticing combination of sunny weather, a savory selection of cuisines, unique fun-filled attractions, and state-of-the-art convention and meeting facilities. Downtown Corpus Christi offers beautiful views of the Corpus Christi Bay and is located just 12 minutes from the Corpus Christi International Airport. Come Coast Your Own Way. www.visitcorpuschristi.com

American Bank Convention Center and host hotels are right on the water! Your conference can have the perfect backdrop of ocean views. Corpus Christi is the perfect location for your next meeting for the endless amount of views from your hotel room to your breakout session. www.visitcorpuschristi.com

Here in Corpus Christi, we coast our own way. We go beyond the surface and let our true colors fly. We do things differently, but we always celebrate the things that make us the same. See how our way of life is bigger than our beaches. Come to the gulf coast capital. Coast your own way. www.visitcorpuschristi.com

We got miles of stunning beaches and unlimited ways to enjoy them in the Gulf Coast Capital. Go sailing, big game fishing, or try every kind of surfing. Families love exploring the USS Lexington and TSA. You can cook your own catch or just enjoy every meal with a view. Whatever you do, coast your own way. www.visitcorpuschristi.com

When you coast in Corpus Christi, you do things your way. Start at the beach, where there are miles of sand and surf to enjoy. Get wild on the water with some of the best windsurfing in the world, parasailing, surfing, and boogie boarding, Or, keep it chill with morning paddleboard yoga on the bay, an afternoon cruise on the sand, or a sunset horseback ride, Whatever you do, you can always go your speed. www.visitcorpuschristi.com

Here in the Gulf Coast Capital, life is bigger than the beaches. Find some time to dust yourself off, fold up that beach towel, and explore your surroundings. Take a trip back in time aboard the USS Lexington before treating yourself to some fresh Gulf oysters and an ocean view. Then, lose yourself in some natural beauty and go birdwatching on a walk through the South Texas Botanical Gardens & Nature Center. Our dishes are a melting pot where everything comes together. Fresh seafood, tex-mex and bbq are just a few of the flavors you'll enjoy here. We do things differently here and we invite you to do things your way. Whether you want to roam miles of pristine beaches, go big game fishing or just enjoy every meal with a view. You can have it all in the Gulf Coast Capital. www.visitcorpuschristi.com

Greetings from Corpus Christi! We're extending a warm, sunny invite to come to the Gulf Coast Capital for your next meeting. We've got the access, accommodations and American Bank Center's 400,000 square feet of space - all so you can do your meeting your way. We're sending a little slice of our coast directly to your mailbox, so be on the lookout for your official welcome package to coast like a Texan.

Did you know Corpus Christi plays host to more than 10 million visitors every year? It's true. Sure, they're drawn here by our sand, sun and surf. But people are also lured by all the possibilities our city and coastal location have to offer. And here's the best part: Every visitor will take home their own unique and special memories - made while coasting like a Texan.

Looking for even more ways to coast your own way before your upcoming meeting? We've got a blog for that. Get insider tips on beaches, water sports, arts and culture, and many other topics and trip ideas.

HEALTH AND SAFETY CONTENT

Corpus Christi facilities safely welcome visitors after earning GBAC star™ facility accreditation, the gold standard of cleanliness. Global Biorisk Advisory Council STAR Accreditation and Training ensure that venues are completing state of the art health and safety preparedness protocols. Corpus Christi facilities receiving accreditation include the American Bank Center, Art Museum of South Texas, Corpus Christi International Airport, and USS Lexington Museum on the Bay, the first aircraft carrier in the world to receive this designation. Several bars and restaurants have also completed the GBAC Fundamentalists Course. www.visitcorpuschristi.com/planners/top-reasons-to-meet-in-corpus-christi
