

Coventry Transport Museum – Group Tour Offer

16 Hales Street, Coventry, CV1 1JD

Step into Coventry’s incredible transport story with a guided tour that’s as fascinating as it is fun.

In just 30–45 minutes, you’ll travel through time from 1868, when the city first began crafting bicycles, all the way to the cutting edge vehicles of today. Along the way, you’ll come face to face with iconic pieces of history, including the elegant car once used by Queen Mary and the legendary Humber Staff Car driven by Bernard Montgomery during World War II.

And for a real thrill? Jump into our Land Speed Record simulator and experience the adrenaline of breaking the sound barrier in Thrust SSC! It’s the perfect mix of history, excitement, and hands on fun an experience you won’t want to miss.

Cost: £10.50pp (includes tour, simulator ride & 10% off in gift shop)
