

## **Our Favorite NC And SC Beaches And Coastal Towns To Visit This Summer**

### **Crystal Coast**

The Crystal Coast is comprised of many communities or “gems” including Atlantic Beach, Beaufort, Pine Knoll Shores, Emerald Isle, Morehead City and Cape Lookout, each one as distinct and precious as the next. Nestled along North Carolina’s Southern Outer Banks, you’ll find eccentric history and exotic wild horses roaming the same shores for centuries – the destination is steeped in tradition, and one of a kind experiences.
