STEP BACK IN TIME

Founded in 1750, Cumberland Valley is steeped in history. As you explore, you'll find museums and historical sites where you can interact with the past in new ways and uncover why the Valley is as passionate about history as it is about making it.

Here are a few fascinating history facts to help you start planning your journey.

» The **Old Cumberland County Courthouse** (shown top left) was built in 1846 and sits on the square in historic downtown Carlisle. It still bears the marks of an artillery barrage from Confederate forces prior to the Battle of Gettysburg. Guests can view the old courtroom if it is not reserved for a private event.

» **Twenty-eight markers** (shown middle left) in downtown Carlisle highlight the town's rich history dating back to the 1700s. Explore on your own or follow the self-guided walking tour. Download the tour at VisitCumberlandValley.com or pick up a printed copy at the Visitors Center.

» Legend has it that it was no less than the uncle of American Folk hero Davey Crockett who first settled along the Yellow Breeches Creek where **Allenberry Resort** sits today. The Still House (shown bottom left) is one of Allenberry Resort's original stone buildings. A recent renovation makes it an ideal location to stay with the entire family.

» Organized in 1789, **Union Fire Co. No. 1** in Carlisle is the oldest continuously-operating volunteer fire company in Pennsylvania and houses a museum.

» **Carlisle Theatre**, originally called The Comerford, opened in May 1939. The Art Deco theatre flourished through the 1960s, declined in the 1970s and closed in 1986. The restored theatre was reopened in 1993 and a visit to Carlisle would not be complete without stopping there to see a movie or musical performance.

» **Locust Grove Cemetery**, in Shippensburg, has been the final resting place of African-Americans in the Shippensburg area for nearly 200 years. Among those buried on the cemetery grounds are 26 black Civil War veterans who served with the U.S. Colored Troops between 1863 and 1865.

TIP: The Museum is only open to the public on Saturdays from 1 pm to 5 pm.

If it's a beautiful, sunny fall day and you want to play outside, **Paulus Farm Market** has barnyard animals to feed and a fun play area for kids 1-10. Climb around in the hay, take a hayride, get lost and found in a corn maze or a mini straw maze, pick your own pumpkins, sift through a soybean box and more. Parents, you can grab healthy snacks or lunch, do a little shopping at the farm market and during the warmer months pick a beautiful bouquet of flowers.

Roundtop Mountain Resort offers unique year-round fun for the entire family in a pristine mountain location. During the warmer months, fly through the air with the Vertical Trek Canopy Tour or roll down a mountain suspended inside an 11-foot diameter OGO ball. In the colder months, unleash your best skiing or snowboarding moves on Roundtop's pristine powder. Ten paintball fields are available year-round.
