Sharing User's personal information

The information that we collect is used to enhance the usability and improve the content of our web pages. It may be used to personalize information and for statistical purposes. Personal information will not be shared with third parties unless indicated and when approved by the User or unless required to do so by law, such as to comply with a subpoena, court orders, legal process

from law enforcement agencies, or similar legal proceedings. We provide information to investigate or prevent suspected illegal activities. Personal data may be shared in the following situations, as well:

- As required by law, such as to comply with a subpoena, legal proceedings, or similar legal process,
- When we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request,
- In certain situations, we may be required to disclose personal data in response to lawful requests by public authorities, including to meet national security or law enforcement requirements, and
- To a third party with your prior consent to do so.

The Cumberland Valley Visitors Bureau will retain personal data we process until the User notifies us that he/she no longer wishes to receive the services or information for which the data was collected. The Cumberland Valley Visitors Bureau will retain and use this personal information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements.

Opt-out

We may inform you by email of our available services, products, specials and sweepstakes. You may opt in or out of receiving these materials or information at any time by contacting info@visitcumberlandvalley.com.

Sharing User's personal information

Unless the disclosure of your personal information is required by law or court order, we do not sell, trade, or rent User's personal information to others. We use third-party software to help us operate our business and the Site, such as sending out newsletters or surveys. We may share generic aggregated demographic information not linked to any User's personal information with our business partners, trusted affiliates and advertisers for the purposes outlined above.

Third-party websites

Users may find advertising or other content on the Site that link to the sites and services of our partners, suppliers, advertisers, sponsors, licensors and other third parties. We do not control the content or links that appear on these sites and are not responsible for the practices employed by websites linked to or from the Site. In addition, these sites or services, including their content and links, may be constantly changing. These sites and services may have their own privacy policies and customer service policies. Browsing and interaction on any other website, including websites which have a link to the Site, is subject to that website's own terms and policies.

Data Collection for Partner

We support the development and operation of partner services/products that interact with client user information. We request that our partners meet industry standards for security data storage and maintenance equivalent to those that we uphold or higher in regards to any data collected by our partners or by us in conjunction with these partner services/products. Where applicable, we enter into binding agreements ensuring all parties meet minimum data security standards.

We acknowledge that we may face liability in cases where there is an onward transfer of your personal information from us to a third party. We hold those third parties with whom we do business to the same rigorous security standards that we impose on ourselves.

Security of User's personal Information

We take reasonable security precautions to secure the personal information that you choose to provide against loss, misuse, alteration, or unauthorized access. However, despite our preventative measures and those of our partners, no transmission of information over the Internet is guaranteed to be completely secure. It may be possible for third parties not under our control to access transmissions unlawfully. While we strive to protect your personal information, we cannot ensure or warrant the security of any personal information that you transmit to us. Any such transmission of Personal Information is done at your own risk.

Advertising

Advertisers, who may set cookies, may deliver digital ads appearing on the Site to Users. These cookies allow the ad server to recognize the User's computer each time the advertiser sends an online advertisement to compile non-personal information about the User or others who use the User's computer. This information allows ad networks to, among other things, deliver targeted advertisements that they believe will be of most interest to the User. This Privacy Policy does not cover the use of cookies by any advertisers.

Remarketing/Retargeting Policy

The Site uses cookies to gather visitor data for remarketing services to advertise on third-party websites (including Google and Bing) to previous Users to the Site. This could be in the form of an advertisement on the Google search results page, or a website in the Google Display Network. Third-party vendors, including Google, use cookies to serve ads based on User's past visits to the Site. Any data collected will be used in accordance with this Privacy Policy and Google's Privacy Policy. You can opt out of Google's use of cookies by visiting [Google's Ads Settings](#). Alternatively, you can opt out of a third-party vendor's use of cookies by visiting the [Network Advertising Initiative opt-out page](#).

Google Analytics Demographic and Interest

On the Site we collect demographic data from Google's Interest-based advertising with Google Analytics. Users can [opt-out](#) of Google Analytics for Display Advertising and customize Google Display Network ads using the Ads Settings.

Reviewing/Updating Your Information
