FUNKY FLEECE FARM

Funky Fleece Farm in Pittsylvania County is a small farm that specializes in alpaca wool products, such as yarn, socks, and hats. They also provide interactive alpaca experiences for local schools and families, where groups are educated on farming, agriculture and sustainability practices. The farm hosts crafting workshops for those interested in learning how to spin wool, weave or knit with fleece and offers their locally-made alpaca wool products for sale in their onsite store.

POTENTIAL STORY ANGLES:

- **A Day in the Life of an Alpaca Farmer** – Follow the daily routines of the farm's owners, highlighting their unique bond with the alpacas and the work that goes into maintaining the farm.
- **From Fiber to Fashion** – Explore how the alpaca wool is transformed into clothing and accessories, featuring the entire process from shearing to crafting.
- **Meet the Alpacas** – Profile individual alpacas on the farm, detailing their personalities, quirks, and any special stories or roles they have.
- **Alpaca Therapy** – Investigate the therapeutic benefits of interacting with alpacas and how the farm incorporates this into its visitor experience.
- **Visitor Experiences** – Visitors share memorable experiences at the farm, highlighting the personal connections made with the alpacas.
