

What's Brewing in Dayton!

You'll find there is a lot brewing in Dayton where the local craft beer industry is hopping! So come thirsty and ready for fun, and explore Dayton/Montgomery County's 13 breweries!

We recommend a three-day adventure that allows you time to rest and relax each morning while you utilize the afternoons and evenings to enjoy and savor the unique flavors and brews, as well as good eats, offered at Dayton's brew pubs. We might suggest you geographically group your brewery visits together as outlined in the itinerary below.
