

DAYTONA BEACH AREA CONVENTION AND VISITORS BUREAU

Procedures for Halifax Area Ad Authority (HAAA) Tourism Event Marketing Support

I. INTRODUCTION

The Daytona Beach Area Convention and Visitors Bureau (CVB) has set aside HAAA funding to provide out of area marketing support for those ***events that exhibit the highest positive tourism potential***. These funds are specifically designated to assist qualified applicants with event marketing and advertising initiatives outside of the Daytona Beach area which in turn have the ability to show a ***direct effect on hotel/lodging occupancy*** during designated time frames, as well as create documented ***positive image building publicity*** for the Daytona Beach area.

The CVB shall consider applications for HAAA support, provided the approved procedures are followed and an assigned, numbered Tourism Events application is completed and returned in a timely manner.

II. APPLICATION PROCEDURES

In order to receive consideration of HAAA funding, applicants must first schedule a conference with the CVB's President & CEO to review and evaluate the proposed event program specifics for compatibility with HAAA marketing goals and objectives. Provided the applicant meets the criteria and becomes eligible for HAAA funding considerations, the President & CEO will then schedule a review and presentation of the application with the Advertising & Technology Marketing Advisory Committee. If approved, that advisory committee will then propose the event to HAAA, which maintains all final funding considerations.

III. CONSIDERATIONS

HAAA provides funding support for qualifying events that utilize specific marketing and advertising program placements outside of Volusia County in order to capitalize on visitor opportunities. Priority will be given to those applicants who understand and exhibit the ability to enhance the destination's overall marketing goals and initiatives, which primarily focus on attracting visitors to the Daytona Beach area for overnight stays.

IV. EVENT FUNDING ALLOCATION GUIDELINES

Support for events meeting the established HAAA general event criteria shall be used specifically for advertising, collateral production, Web site development and/or direct mail costs based on the following descriptions and limits:
