Dear Federation of Gay Games,

We, Seasons Insurance Agency, confirm our support of Denver's bid to host the 2030 Gay Games.

Seasons Insurance Agency is a local health insurance brokerage. We specialize in assisting people to enroll in a Health Insurance plan that works for their specific needs. We help individuals, families, and Medicare eligibles, as well as assisting International travelers find a plan that will help pay for medical needs that may arise. We believe all people deserve access to quality health insurance coverage, regardless of race, color, ethnicity, gender identity, sexual orientation, age, or disability. Our support of Gay Games XIII is a natural step in further demonstrating our public commitment to these principles.

Denver is well positioned to host a successful Gay Games. The city's world class sporting events and long track record of successfully hosting major sporting events – including the Men's NCAA Basketball Tournament; the NBA Finals and NHL Stanley Cup; and the MLB All-Star Game – leave no doubt in our minds that Denver is a fantastic candidate to host Gay Games XIII.

Denver's central location within the United States, with non-stop flights to all fifty states and eighteen countries, along with its access to world class outdoor recreation, make the city a fantastic location for hosting the Gay Games. The city's vibrant music, theater, and arts scenes, along with world class dining options and proximity to world class natural attractions such as Red Rocks Amphitheater, Rocky Mountain National Park, and Garden of the Gods, make Denver the ideal location for hosting Gay Games XIII.

We look forward to working closely with the Denver Gay Games Bid committee in ensuring Gay Games XIII is a truly inclusive event with broad global reach.
