

Dear Federation of Gay Games,

As a Denver area homeowner I am proud to endorse Denver's bid to host the 2030 Gay Games.

As an advocate of LGBTQIA+ rights, I know Denver is well-suited to host Gay Games XIII thanks to its welcoming community and amazing venues.

The opportunity for Denver to host the 2030 Gay Games would represent another step forward for LGBTQIA+ rights. During a time in which other localities across the United States are increasingly attacking the rights of LGBTQ+ individuals, Colorado has remained steadfast in its commitment to protecting, expanding, and celebrating the rights of LGBTQ+ individuals. By hosting the Gay Games, Colorado would send a strong message to the rest of the United States and the world that they will continue to celebrate diversity, fight for equality, and provide everyone with the opportunity to unite through sport and culture.

I am proud to support Denver's efforts and eagerly anticipate Denver's chance to showcase all Denver has to offer to the world.

Sincerely,
