- Joint Technology

Committee Member:

- Agriculture, Water & Natural Resources
- Energy & Environment

July 22, 2024

Esteemed Federation of Gay Games Board of Directors, Honorary Life Members, General Assembly Member Organizations and Delegates:

I am writing to you today to express my full support for Denver's bid to host the 2030 Gay Games XIII. I could think of few other locations as perfectly suited to host than Denver.

Colorado has become more than a welcoming state in recent years: It is quickly becoming a gold standard in policy and culture that upholds, celebrates, and supports diversity, equality, and self-expression. Our LGBTQIA+ community is incredibly vibrant and has become a beacon for those seeking an uplifting and affirming environment to visit or to make their home.

Our state is also very well known for its love of all things athletic. We are a destination training ground for world-class athletes and home to a major training center for Team USA Olympians and Paralympians. We are proud to have some of the healthiest and fittest communities in the entire United States. Personal wellbeing is in our blood.

Denver itself is a perfect host location for a large multi-day event like the Gay Games. Our airport is notable for being a key international hub, welcoming visitors from every corner of the world every day. Our sport facilities are plentiful and well appointed. Our tourism industry is thriving and ready to serve the influx of spectators and athletes the Gay Games would bring.

As Colorado's first transgender legislator, I can personally say that I have had a hand in changing my state for the better. I hope that I can also help support the Federation of Gay Games in its efforts to "Change the World" through its promotion of inclusion, participation and achieving one's personal best right here in Denver in 2030.

In solidarity,

A handwritten signature in cursive script that reads "Brianna Titone".

Representative Brianna Titone
Colorado House District 27
