Dear Federation of Gay Games Honorary Life Members, General Assembly Member Organizations and Delegates,

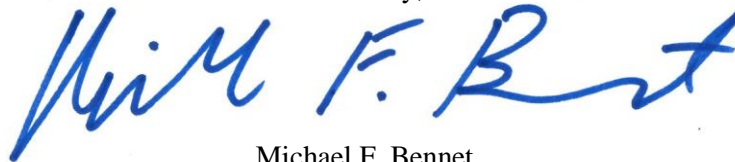

I write to express my support for Denver, Colorado's bid to host the 2030 Gay Games. Known for its natural beauty and inclusivity, Colorado serves as a beacon of hope for so many communities. Hosting the Gay Games would underscore Denver's steadfast commitment to a sense of belonging for everyone.

The historic host city honor extends beyond an athletic competition. It is a celebration of culture and a platform for education. Traditionally, thousands of participants visit the Gay Games from more than 100 countries. Colorado welcomes the opportunity to bring together individuals from around the world, to create an environment to celebrate differences, break down barriers, and foster friendships through the universal languages of sport, sportsmanship, and camaraderie.

I know the unwavering support and determination of our community will demonstrate why Colorado is a haven of personal freedom, a safe space for people to live, to love, and is, without any doubt, the best choice. Colorado is prepared to host the 2030 Gay Games, and will showcase, with friends from across the world, our shared commitment to building a brighter future for all.

I encourage you to give Denver's application your full and fair consideration. Thank you for your review.

Sincerely,

Michael F. Bennet  
United States Senator
