

CHEER Colorado | 6810 Morrison Drive, Denver CO 80221

To the General Assembly of the Federation of Gay Games,

We are CHEER Colorado, a non-profit adult volunteer cheerleading team.

We serve Colorado by lifting and elevating LGBTQ+ voices and causes through advocacy, philanthropy, and cheerleading. We believe Denver possesses the spirit, infrastructure, and vibrant LGBTQ+ culture to make the 2030 Games an unparalleled celebration of athletic excellence and global unity.

Denver's breathtaking natural landscapes and reputation for hospitality make it an ideal host city for the Gay Games. Its world-class facilities ensure that athletes and participants will have an unforgettable experience while enjoying the competition and camaraderie that the Games offer.

Furthermore, hosting the Gay Games in Denver would leave a lasting legacy of inclusivity and acceptance. It would send a powerful message of support to LGBTQ+ individuals everywhere, demonstrating that they are valued members of our communities and deserve equal opportunities in all aspects of life.

We urge the members of the Gay Games Bid Committee to carefully consider Denver's bid and to recognize the tremendous potential it holds for advancing the mission and values of the Gay Games. We wholeheartedly support Denver's bid, and we are confident that it would be an exceptional host city for this inspiring event.

On behalf of CHEER Colorado and the community we serve,

Thank you for your consideration.

Cheers,

Kristen Turnbull
