To the General Assembly of the Federation of Gay Games,

Dart Professionals of the West (DPOW) is a mainstream darts organization that was formed by LGBTQ+ community members and allies. DPOW is committed to welcoming participants regardless of age, gender identity, sexual orientation, race and ethnicity that are interested in achieving their personal best in the sport of darts. We approach darts as an opportunity to challenge stereotypes, break down barriers, and forge lifelong friendships across diverse backgrounds.

Denver with its vibrant culture, welcoming atmosphere, and outstanding sports facilities, is an ideal host city for such a prestigious event. By hosting Gay Games XIII, Denver has the opportunity to showcase its commitment to equality and embrace the spirit of unity that transcends boundaries.

Having served on dart tournament committees in Denver since 1999, I have received feedback from US darts players as well as Canadians that they always look forward to being in Denver both for the professional manner in which we conduct our events, and the diverse opportunities that Denver provides whether enjoying nature, or the cultural opportunities of our city.

DPOW is proud to stand in solidarity with the organizers, participants, and supporters of Gay Games Denver in 2030. We pledge our full support and look forward to contributing to the success of this landmark event in any way we can.

Sincerely,
