Dear Federation of Gay Games Board of Directors, Honorary Life Members, General Assembly Member Organizations and Delegates:

I am writing to express the strong support of the Metro Mayors Caucus for the effort to bring the 2030 Gay Games XIII to Denver. The Caucus is a collaborative organization of 38 Denver metropolitan mayors representing more than 2.6 million Coloradans.

The State of Colorado and our metro area have proven experience in hosting successful national and international events and would be honored to welcome the International Federation of Gay Games, all athletes, artists, and supporters to our thriving region.

This region is well-equipped to support an event of this magnitude. Our world-class infrastructure includes Denver International Airport, which is easily accessible to the world with over 1,600 daily flights. Metro Denver's ample facilities and hotels are complemented by our unique urban energy, outdoor excitement, and our famous 300 days of sunshine. Beyond a thriving dining scene, the region provides a spectacular Rocky Mountain playground unmatched in the country.

All events and activities will highlight Denver's many fine attributes: LGBTQ affirming state and local government and elected officials and laws, world-class facilities for all abilities, safety and security, an abundance of established LGBTQ+ ally sport and cultural organizations and teams, national corporate and non-profit support and more.

The stakeholders of the entire region will work together to guarantee the success of the 2030 Gay Games and work to help "Change the World" and further the Federation of Gay Games mission of promoting diversity, equity and inclusion through sport and culture.

Sincerely,

Laura Weinberg
Mayor, City of Golden
Chair, Metro Mayors Caucus
