25 DAYS OF CHRISTMAS BINGO

Support Local Businesses... By supporting our local business community, you are supporting our local economy. We all win when we buy local!

Business Bingo Basics...

- **Print a Bingo card** from our recent blog found at <https://www.devilslakend.com/chamber/> or visit the Chamber office to pick one up.
- **Make an in-person purchase** at a Chamber member business (<https://www.devilslakend.com/chamber/directory/>), ask the business to sign their initials & name of the business by or in the associated square (for ex. a retail store would sign by or in the box for retail shopping). Please note: there are several squares that are working on an honor system. These squares you can initial and add the date you did the item. Please be truthful so Santa doesn't put you on the naughty list!
- **Enter to win prize drawings** by turning in your complete Bingo to the Chamber office. A completed Bingo must have at least **5 completed boxes** (across, down, or diagonal). A blackout Bingo is a card with every box filled. We have one special prize drawing for blackouts. Make sure you put your name and contact number on your Bingo card before you turn it in.
- **Christmas Business Bingo runs from December 1 to December 25, 2023.**
- **Prize Eligibility:** All completed Bingo cards must be received at the Chamber office **no later than December 27th, 2023**
