FOR THE FAMILY

Stop in for breakfast at **Devils Lake Doughnuts**. Fresh made every morning. Take them to go if you'd like while you head out to **White Horse Hill National Game Preserve**. Spend the morning walking the nature trails, check out a backpack to help view the wildlife. Walk the steps to the overlook for a great selfie picture. Stop by the visitor center to learn a little more about the game preserve and maybe find a souvenir in the gift shop. On your way out, take the auto tour but make sure to stop at the overlook for a great view of Devils Lake.

After White Horse Hill head on over to **Fort Totten Historic Site** and head back in time. Once done, head back in town to downtown Devils Lake. Take in our boutiques and try and find the **Dr. Seuss mural** for another selfie moment.

If you want to continue it for day 2, **rent a pontoon** or fishing boat for the day, from Woodland Resort or better yet, **hire a fishing guide** for the full experience. Make sure to stop at **Bobber's** for an afternoon refreshment. They have games for kids as well. Weekends will provide live entertainment. **Creel Bay Golf Course** offers rentals for paddleboards and kayaks with a great patio view of the lake. **Grahams Island State Park** also offers a great hiking trail and swimming beach to cool off on those hot days.

Great dinner options for families include the **Ranch Steakhouse** or **Proz Lakeside at the Cove** for either dining on the patio or take to go on the pontoon. **Charras and Tequila** is another great option for dinner or lunch.

If you plan on being in Devils Lake in July, you need to make sure to check out the **Fort Totten Little Theatre**. The production takes place in Roosevelt Park outdoors and is sure to entertain the whole family!

FOR THE COUPLE

Start your morning at **Proz Lakeside at the Cove**. The weekends offer Mimosas and Bloody Mary's and the view watching the boats head out into the water is priceless. Then head on out to **White Horse Hill National Game Preserve** for a morning hike. View the wildlife, hike the steps to the lookout and take in the scenery on the 1.5 mile trail around the hill. When you are done and have worked up an appetite head on it to downtown Devils Lake. Grab a small lunch at **Old Main Street Cafe**. Take a peak at all of our history on the walls. Downtown Devils Lake offers great boutiques to shop. Grab a brew at **Black Paws Brewing Company**. A new brewery opening sometime in 2021, they offer 14 different taps.

For a romantic dinner, head over to **The Ranch Steakhouse**. Noted as the best steakhouse in North Dakota, you will not be disappointed. Offering steaks of different varieties, they also have meatloaf, seafood and popovers! When you are done with your dessert, keep heading south on Highway 20 and try your luck at the **Spirit Lake Casino**. **The View** restaurant also offers great dining options, and a spectacular view of the lake.

Other options include renting a pontoon from Woodland Resort or the Spirit Lake Casino. And if you are in town during July, a must see is the **Fort Totten Little Theatre** in Roosevelt Park. This year they will feature *Grease*.

FOR THE OUTDOORS

Start your morning at **The Cedar Inn** for breakfast. You definitely must order the Cedar Sausage! Rent a fishing guide for the morning or a full day. Devils Lake has plenty of walleye to keep you busy in the summer and we are known of the Perch Capital of the World during the winter months. Guides offer many different options - winter provides fun on the lake in a Snobear. After you are done with your day, freshen up and head over to **Charras and Tequila** for a great dinner.

Other options include renting a pontoon or your own fishing boat from **Woodland Resort** or the **Spirit Lake Casino**. The **Creel Bay Golf Course** offers an 18-hole golf course, and paddle boat and kayak rentals. A clubhouse with a patio overlooking the lake offers a great place for a refreshing beverage when you are finished.

In the winter, rent Cross Country Skis from **Gerrells Sports Center** and hit the trails at either **Grahams Island State Park** or the **Creel Bay Golf Course**, or both!

FOR THE HISTORY BUFF

Grab fresh made donuts from **Devils Lake Doughnuts** for breakfast. Then head on out to the **Fort Totten Historic Site**. Take a step back into history. Make sure to stop into the Visitor Center before you explore to grab brochures that will take you around the buildings.

Then head downtown for lunch at the **Old Main Street Cafe**. The pictures on the wall show the history of the town. Order the soup bar and sandwich for lunch! Then head to the **Lake Region Heritage Center** for another look. Top the afternoon off around the corner at the **Sheriff's House Museum**.

Finish your evening with dinner at **Proz Lakeside at the Cove** for a great view of the lake or **The View** at the Spirit Lake Casino.
