| <b>Total</b>                               | <b>3,188</b> | <b>4,326</b> |

Actual jobs are estimated from surveys of relevant businesses at locations in England and take account of part time and seasonal working.

Indirect employment arises as a result of expenditure by businesses in direct receipt of visitor expenditure on the purchase of goods and services for their businesses.

Induced jobs are those that are supported by the spending of wages by employees in direct and indirect jobs.
