

WHY INVEST IN DUBLIN, OHIO

Economic Development & Community Support

Dublin, Ohio welcomes more than 2.9 million visitors each year. The bed tax collected from hotels directly supports community events, local businesses and the arts.

Quality of Life

Not only does the tourism industry support local jobs, it also brings tax revenue to the city from non-residents that improves the quality of life and place for residents.

Support Local Business

Dublin's hospitality industry is made up of businesses big and small. Retail, restaurants, entertainment, transportation and lodging are all supported by tourism dollars.
