

# BEVERLEY

Beverley is an historic market town granted a charter in 1128 which has been shaped by its cultural and trading past. Easily explored on foot, the town is steeped in history and is home to two impressive churches, Beverley Minster and St Mary's, pretty market squares and beautiful Georgian townhouses.

This map has been created to celebrate the thriving mix of over 100 high-quality independent businesses across the town centre, alongside popular markets every Wednesday and Saturday.

The primary retail and leisure offer stretches for approximately a mile from North Bar Within in the north-west of the town centre to the Flemingate Shopping Centre in the east.

Toll Gavel is the main shopping thoroughfare that connects Wednesday Market to Saturday Market - two vibrant market squares. Additionally, Flemingate Shopping Centre has lots to offer for all the family including fashion, food, fun and film.

Core independent shopping areas to explore include North Bar Within, Ladygate, Dyer Lane, Swaby's Yard and Wednesday Market. From clothing, gifts and design to leisure and hospitality, Beverley's independents offer an exciting array of goods. Explore the map and enjoy one of the region's most popular shopping destinations.
