

Haymarket Tree

Help us light the tree in Haymarket Plaza! Your full one-time sponsorship will get your business logo on signage placed near the plaza tree from Thanksgiving to New Years for the next five years! You may also choose to sponsor for one year only.

The 25-foot Plaza tree is a destination for families throughout the holiday season and your support will be seen by thousands of downtown visitors for holiday seasons to come. Your support will also get you an ornament with your company logo added to the tree for the next 5 years as well!

Date: Thanksgiving - New Years | Haymarket Plaza
