

SIGNATURE

EXPERIENCES

VISIT ECU CLAIRE

Experience an authentic Eau Claire

We want to make sure you have the best experiences possible when you are visiting Eau Claire. Eau Claire is not your ordinary destination. We have a collection of signature experiences for you to choose from to make your visit to Eau Claire oh-so-memorable. From cooking classes to art, to sports and to beer, we're sure to have something you'll enjoy.

the **GREAT CREATE**

Experience Banbury Place and Building 13 to see how this site has transformed into studios and workspaces for artists.

You will learn about Banbury's remarkable history and tour the building with one of the resident artists. Then, flex your creative muscles at a hands-on art workshop by Arts, Etc. Learn how to create your own masterpiece using fun new techniques where everyone can apply their artistic talents. You will choose from one of several workshops to create a unique "make and take" souvenir.

riveting

WINE BARREL

experience

Come for a brief entry into the life of a wine barrel as it's transformed into a rain barrel.

Discover how wine barrels are repurposed and transformed into rain barrels and other useful products by saving the planet. You will create your own riveting masterpiece from wine staves and corks that you can use in your home. You will also learn how Green Planet Rain Barrels creates rain barrels that are shipped throughout the country and conserves Mother Nature's resources.

BANBURY HISTORY tour & MEET the ARTIST

Explore the historic Banbury building with an artist. Discover what is it like to create art in this historic building.

Experience Banbury Place and Building 13 to see how the old Uniroyal factory in Eau Claire, Wis. - closed some 25 years ago - successfully transformed into an artists' and entrepreneurs' community. You will learn about Banbury's remarkable history and tour the building with one of the resident artists.

Spend a few hours in the life of an artist at Banbury Place. CV Peterson, a local artist, will take you into an artist's world and teach you how you can incorporate art into your daily life. CV Peterson is a multidisciplinary artist residing in Eau Claire, WI. Their work combines scientific exploration and art as a way to examine environmental devastation.
