Event Info:

**Please check in at the clubhouse for ski jumping at Mt Washington or
where the crowd is at Silver Mine Hill for the Nordic Combined races when you arrive.
WE WILL NOT ASSUME YOUR SKIER IS PRESENT FOR THE EVENTS - someone NEEDS to check in during the registration times.**

We will host competitions on the 7M (U8/6 – this is a combined class), 15M (U10), 30M (U12), & K55 (U16, U20, Senior/Masters) hills. There is **NO U14** class at this event because of the JN Qualifier.

The U16 & U20 classes on the K55 will be Junior Nationals Qualifiers for both Ski Jumping (on Sunday) and Nordic Combined (on Saturday). This will be a true Nordic Combined qualifier - one jump only for the event on Saturday.

Skiers on the K7 & K15 can ski on two hills if they are not in an open class. Skiers competing in an open class may only compete on **one hill**. Skiers in the regular class on the K30 cannot participate on the K55 this year. (Skiers may only ski up one class, not two – so U12 participants cannot ski in the U16 class.)

The Nordic Combined race event for the K55 will be held at Silver Mine on Saturday afternoon. We will also hold a Nordic Combined race event for the K7, K15 & K30 following the qualifier race on Saturday with a mass start at the Silver Mine Nordic Ski Complex. The jumping will happen on Sunday for these hills/classes.

This is a non-sanctioned event on the K7, K15 & K30. No USA Ski & Snowboard number needed. All classes on the K55 are sanctioned. A USA Ski & Snowboard number is needed.

The team competition is free and is a fun comp for all ages. We arrange all participants on a team. Each team will have a skier from each hill size. We try to mix up jumpers from all different teams in the division, so they can get to know each other. If your skier is participating in the team comp, they do need to pre-register for that event as well.

All ages are as of December 31, 2022.

Please watch for TeamSnap emails for any updates.

Registration:

Pre-registration forms are on Eventbrite & must be completed by 9am on Friday, January 6th. Registration fees must be paid on Eventbrite when registering. Please note that the registration says "free" at the beginning & again when you choose how many skiers you are going to register. This is a necessary placeholder. The event is NOT free to participate in. There is no fee to watch the event.

You can register multiple skiers at the same time & pay only once. Please make sure your skier is preregistered. We will not allow any late registrations. It's easy to change a hill the day of an event or remove a skier – refunds will only be given for cancellations before an event starts.

Fees:

K7, K15 & K30 - \$25/event

K7, K15 & K30 Nordic Combined \$20.

K55 - \$40

K55 Nordic Combined - \$40

General Information:

- ~ A parent is expected to stay at the hill with the skier to help out when needed.
- ~ Portable toilets will be available.
- ~ The garage is available for changing - NO changing in the Chalet please.
- ~ If you are sick or have a fever, we request that you please stay home & recover safely.
- ~ Concessions will be available.

Training Friday, January 6th:

- ~ We will hold training on our hills on Friday from 6:30-8:30pm.

Hotel Info: We do not have a partner hotel this year.
